# Back To The Beach (Hunt Family Book 4)

## Synopsis

Having a crush on someone who barely seems to notice you is never easy. It only leads to heartbreak and disappointment. Mia Hunt occasionally found herself in that very situation. Fortunately, her dream guy lived all the way across the country and their encounters were rare. When they were in each other's presence, she made every effort to keep her distance and not get her hopes up. It seemed things wouldn't work out that way this time, though. This time, Nico Torres had plans to spend a week on vacation with the Hunt family at their Myrtle Beach home, and Mia feared there'd be no escaping him. After their first encounter that week, she wasn't so sure she wanted to escape. She just hoped she could survive the trip without falling for him all over again. The last thing she needed, after all, was another broken heart.

## Customer Reviews

Loved this book. It was so romantic. The male lead was pretty spectacular and I loved seeing his heart change. I loved the way the female lead was portrayed as well. I felt like she was my friend

and I felt all of her emotions. This was a clean read which I always appreciate. Although it was a faith based story it felt natural and like one anyone would enjoy. I give this one two thumbs up. Happy reading !

As always another good read from Brooke St. James. This book is Mia and Nico's story, they've know each other most of their lives and Mia has always had feelings for Nico. Yet she has sadly had her heart broken before by him when the feelings weren't necessarily returned. I really enjoyed this story however i must say I was quit aggravated with Evan and Cody for butting in. Coming from a place of love for Mia or not I really wanted to slap those two. I felt so bad for Mia when Nico tried to respect what Cody and Evan had said i could just feel Mia's hurt. I really loved Nico when enough was enough and he took a stand at the party. It all works out as it should and has a HEA I also loved the epilogue at the end. I can't wait for Evan's story next to watch him fall.

I have read every book in this series and this is another hit. Mia and Nico had crushed on each other from a distance. Her brother warned nice to stay away from her he wasn't good enough. Confused by his distance is heart was breaking again. He left with out saying good bye. She was completely dying inside. He turned to his friends and found God and went after what he knew was meant to be. I love this family and the events that happen. Love this author.

i just absolutely loved this storyline and I got so caught up in their world that it was hard to put the book down. Written with charm, sincerity and insight; it's almost impossible to not fall in love with these people!

You cannot believe how excited I was to see that this book was out today! Beautiful! Absolutely amazing. I loved Nico! And was a little bit mad at some previous characters for a while but loved them all still just the same and even more in the end.

I can hardly wait for the next book! This one was wonderful and made me smile so much! I was so frustrated with the brothers at more than one point. Thanks for writing such an amazing series that captures the attention of the reader so fully!

Back to the Beach is book four in the Hunt Family series by Brooke St. James. This series is excellent and each book just gets better. Mia has had a crush on her cousin Logan's best friend

Nico since she was twelve. She has managed to keep it a secret for many years. Now she learns he is going to be at the beach house for the yearly family vacation. A week with Nico? Her brothers, Cody and Evan, scheme to keep Nico away from their little sister as they don't feel he can be trusted not to break her heart. Is Nico that bad or is his reputation overrated? Is he out to hurt Mia or does he even want her? What will Mia do when she finds out what her brothers are doing? Mia is independent and doesn't allow her brothers to interfere in her life.
