## Customer Reviews

The picture for this item does not do it justice. It's actually a beautiful blue-red, very soft to the touch. I have a NIV Life Application Bible and it fits perfectly and I have room for a small Vera Bradley journal. Great look, great price, great deal.

Very Suitable for an Oxford Wide margin Bible which many of us use in the Christadelphian Community to note matters in the margin of explanation after study. Usefull if arthritis means we can no longer carry the bible without the convenience of handles.

This image is deceptive. I was hoping for pink and ended up with a deep red. It does say "Cherry" color. So, don't always believe the images. So far however, the cover seems sturdy and I like the fact I can wipe it clean.

I love this cherry red bible cover! It fits my large print bible perfectly and I've gotten many remarks on the pretty color & the subtle engraved pattern. Several friends have asked where I purchased it so they could find one like it. Some have never purchased items from before and were impressed

when I informed them about the ease & convenience of shopping from my computer at home, as well as, the quality of the product received. The actual color of the bible cover is a soft red. It might appear a little lighter in the pic. It's well worth the cost.

I purchased this to keep my bible clean and easy to take with me when I going somewhere. I was pleasantly surprised that there are pockets inside each cover that allows you to put other smaller books so that all my prayer books stay together. Love it. The picture tends to make the red look like a deeper red, almost an oxblood color, which is what I wanted but it is a brighter red so if you aren't OK with a brighter red, pick another color. The quality is worth the purchase.

This is a very pretty red and attractive bible cover. It is also large enough for my KJ/NIV parallel bible. BUT, I am not as pleased with it as I was when I first received it because the cover is wearing off at the corners. It is kept on the back seat of my car when it is not being used at church, so there's no reason it should be coming off like it is. I will be looking for a leather cover next time, but haven't seen any in a color I like. I want something feminine in color.

The first cover that arrived had a flaw in workmanship (stitching in the handle). It also looked like the item had been previously opened (and rejected) by another buyer. The return process was quick and easy. I was very pleased by the return process and the quality of the replacement product met every expectation. Quality assurance in first product was lacking and a bit frustrating to think I was the second customer to reject/return, if in fact that was the case.

I absolutely love this Bible Cover. At first, I thought it may be a little too bright (the color red) for me...but I've been carrying it for quite some time now & absolutely love it. There is plenty of space inside. It not only houses my Bible but also affords plenty of space to keep my notes and a good writing pen. I highly recommend it.
