# Further Still: A Collection Of Poetry And Vignettes

## Synopsis

Things Pondered was a different kind of Beth Moore book. It was a window into Beth's tender and creative soul that before could only be viewed at her speaking engagements where she often shares her poems and short stories. The perennial success of Things Pondered proves that many continue to be moved by Beth's reflections. Broadman & Holman is pleased to offer a second collection of Beth's creative writings. Further Still once again proves Beth Moore a gifted, sensitive writer and poet.

## Book Information

## Customer Reviews

You can't go past Beth Moore for her candid writing which is so refreshing. She doesn't tell us what to do from a lofty ground above us, but shares her struggles and insights, inviting us to learn from that. I am on a quest to purchase all her books as she has never failed me yet. She inspires, encourages, entertains, reminds and gently reprimands through her excellent writing.

This book is a wonderful continuation of Things Pondered. Beth Moore never fails to make me laugh and cry all at the same time. This book would make a terrific gift.

I have never read a book by Beth that I have not liked. Every book brings you to a closer relationship with God and makes your quest for Him bloom. I loved this book on my own, yet I also think this would make a great women's study group or a great gift.

This book totally kept my interest. She kept the focus on Christ, & did it in such a way that the reading was effortless & yet gave insights that had me pondering them days after reading them. I loved it!

Beth Moore has this brilliant way of writing that makes it seem as though you're sitting down to coffee together. Her stories and creative writings touch my very soul and bring peace to this crazy life. This book is another example of how much she truly loves sharing Jesus in very personal ways to people avidly seeking Him.

If you love poetry and prose then you can't go wrong with this book. It is moving and filled with inspiration. I have even given copies of this book as gifts. This is one book I will always have on my bookshelf.

This is not quiet what I expected because it is a recap of older Beth Moore writings. With a title like "Further Still" I had expected new, deeper stuff. Still, It was good to have the review, and some of it was very meaningful (from The Lord) because of the place I was in my life when I read it.

I wish there were more books like this out here. I purchased both Things Pondered and Further Still on Kindle but would like to have both in hard copy to refer to for devotions or sharing the poetry with others. Beth Moore's poetry was amazing.
