# Lumberjanes Vol. 3: A Terrible Plan

## Synopsis

This New York Times Bestselling series continues with Jo, April, Mal, Molly, and Ripley as they take on everything that goes bump in the night. From scary stories to magical portals that lead to a land untouched by time, it's definitely not your average summer. Written by awesome all-star Noelle Stevenson (Nimona, ADVENTURE TIME) and brilliant newcomer Grace Ellis, and illustrated by the tremendously talented Brooke Allen (A Home for Mr. Easter).

## Book Information

Series: Lumberjanes (Book 3)

Paperback: 112 pages

Average Customer Review: 4.3 out of 5 stars See all reviews (22 customer reviews)

Best Sellers Rank: #9,532 in Books (See Top 100 in Books) #4 in Books > Comics & Graphic Novels > Graphic Novels > Contemporary Women #13 in Books > Comics & Graphic Novels > Fantasy Graphic Novels #1688 in Books > Teens

## Customer Reviews

+ famous female author names instead of swearwords+ river monster+ smol nerds+ fantastical art style+ probably all queer- could've been six hundred pages longer and it wouldn't have been long enough

Wonderful series with a diverse and likable cast of characters. Lumberjanes is a breath of fresh air for comics and hardcore lady-types everywhere, and make no mistake. But personally? My favorite part was the "LGBT propaganda." ;)

Ignore the 1-star reviews. They're from people who received the wrong book on kindle and apparently don't know how to find Amazon's customer service center. The series continues to be great, the plot keeps moving, the characters continue to be awesome. Seriously, if you liked the first two books you'll like this one.

I couldn't wait to dive into this one after reading the other two. What I was immediately put off by was the new art style. I wasn't thrilled about it because I loved the past artwork, but I pushed forward and I'm happy I did! It ended up being pretty awesome. Looking back I guess I just wasn't sure what to think about it and was holding onto the first two. So friends, keep an open mind... I REALLY loved this one. I felt like the story was more thought out and allowed me to get more invested. I also got to know more about each of the girl and their personalities which allowed me to connect with them all individually. I LOVED how aggressive and goal orientated April was. It reminded me of myself haha But the part about decorating cakes killed me especially because of Ripley. It was adventurous and humorous and I hope this series continues in this direction!!

I liked the story in this one and that it continued throughout the entire volume while still building on what was previously established. I think this might be the strongest volume story wise actually. but I wasn't a fan of the art changes. I liked how the art looked before and while the panels in the "ghost stories" were interesting, I felt like the rest of that issue was weirdly done with art which took me out of the story. Still, I freaking love this series. If you haven't read this series, you should try it out. It's all about friendship, badass ladies, and learning who you are. Also, there is lady love in this one. Which is exciting!

Noelle Stevenson deftly continues her summer camp saga Lumberjanes, but this third volume doesn't feel as action-packed as Beware the Kitten Holy or Friendship to the Max - perhaps because our fearless five-some is split up for three of the four issues and, when they are together, we just get to read their attempts at scary ghost stories. Plus, the lack of Brooke Allen's illustrations is noticeable enough to affect the story. Ultimately, A Terrible Plan just feels like a terrible Lumberjanes installment.

This is my new favorite in the series! I also appreciated its refreshing portrayal of a transgender character. Highly recommended.

So much character development! Always leaves me wanting more. LOVE this series, and this has been my favorite volume so far!!
