# Cursive Handwriting Bible Workbook : Children's Reading & Writing Education Books

## Synopsis

There are two good things that would come out from using this workbook. First, your child will learn to write in cursive. This is advantageous because writing in cursive encourages continuity in reading and writing. It also improves spelling and vocabulary because your child will need to write per word. Second, it brings the Bible to the consciousness of your little one. Grab a copy today!

Great practice for my son, who is lazy with his handwriting. Also love how it helps him remember bible verses.
