## Synopsis

THE HOLY SPIRIT - Spiritual Gifts: Amazing Power for Everyday People (Second Edition) Do You Want to Experience God's Power in Your Everyday Life? We sit in our pews. We hear about the awesome power of God the Father. We marvel at the miracles of Jesus. Then off we go, never expecting those supernatural spiritual gifts of the Holy Spirit to flow through us in the here and now. That's exactly what this author did, until one day she was confronted with a stunning possibility: that miracles of biblical proportions can and do still happen, even in the lives of the humblest among us. Even you. The challenge? It meant getting to know the Holy Spirit, that enigmatic Third Person of the Trinity she'd heard so little about in traditional teaching. It meant braving controversy about spiritual gifts, searching the Scriptures, and venturing into new waters in faith. Let's be honest. Even wading toward the depths of the Holy Spirit and the extraordinary spiritual gifts may seem scary. It may even sound kind of kooky or off-base. You don't want to get in over your head. You fear drowning in error or emotionalism. Still, you may long to deepen your experience with God. You may be asking: What happened to the power Jesus promised to believers? Why has the Holy Spirit become such a taboo subject? Are modern miracles of biblical proportions still happening? How can I access the supernatural power of God? Does the Holy Spirit have spiritual gifts for me? If so, which ones?

THE HOLY SPIRIT - Spiritual Gifts: Amazing Power for Everyday People is a step-by-step guide for how to grow in dynamic relationship with the Holy Spirit. It explores how even the most ordinary believer can experience the miracle-working power of God in everyday life. This scripturally-referenced how-to book with workbook-style applications is ideal for individual or group Bible Study, geared at building a highly accessible, scriptural foundation for the Person and supernatural spiritual gifts of the Holy Spirit. Tackling tough questions with straight answers, this book tracks an everyday believer's journey into what may be Christianity's best-kept secret. It dives deep into the often-marginalized mysteries of the Holy Spirit, mingling scriptural examples with numerous contemporary anecdotes of the amazing power of God in the lives of everyday believers.

## **Customer Reviews**

With a wise approach, this book leads the reader through different aspects and accounts of the Holy Spirit's working in everyday lives. It is backed by Scripture, and it emphasizes above all that the Christian reader "seek first the Kingdom of God" - allowing and inviting God to have His will and His way with us - which is fundamentally at the core of the Christian life. It is an encouragement to be vigilant about the Holy Spirit's work in our lives.

Reading Susan Rohrer's book on the Holy Spirit is like taking a long drink of water when you didn't

realize you were so thirsty! And you want to keep drinking and drinking the water, because it's so refreshing, satisfying and good. Thoughtful, clearly written, and very accessible, Rohrer takes an unflinching look at the gifts of the Spirit, and examines each through the lens of Biblical scripture. A must-read!

This phenomenal book helped me navigate a challenging time in my life where I truly needed to know and trust God's direction. A fun, insightful read that had me smiling! The author, Susan Rohrer, has found a way to make the beauty of the Holy Spirit understandable and completely accessible. And, you can dig as deep as you want to with the sound scriptural references included. I plan to use it as a study for our church group! We can all order our own copies and read along together!

This is an amazing book. I have been a Christian for all my life and i have never heard the things in this book. I found it enriching because it constantly references the Holy Bible to support the assertions being made. I could talk a long time about this book because of all the areas it covers and all the assertions it makes. I am very glad I got this book and I am going to recommend it to my kids and their spouses. It's eye-opening, astounding, challenging, humbling and makes me examine my life in ways I never have before. Please read this book. Even if you think you are a devout practicing follower of Jesus, this book will challenge you in ways you have probably never before considered.

Haven't you noticed that everybody seems to have a different idea of who the Holy Spirit is? If you have a Bible study or a Sunday school class, you should study this book carefully. Susan Rohrer answers all your questions with the most thorough, rational, and biblically sound explanations. She poses the questions that abound in every church, and she doesn't answer them in a mealy-mouthed way. She straightforwardly confronts the issues: Do you have to speak in tongues? What if there's no interpreter? What if my church doesn't believe in the supernatural gifts operating today? Get this book for your church group. We did, and we're using it now. It's terrific!

I may not be the best person to rate this book since I've known so much about the Holy Spirit for over 25 years. It is a very in depth teaching and a valuable asset to all who seek a deeper walk with God.

I truly enjoyed reading both of the authors books. It is written in a way that easily understandable for all believers. Definitely a great break down of information on the topic. Answers critical questions and offers countless biblical references.

Highly recommended to anyone who wants a deeper relationship with God through learning about the Holy Spirit. I also loved that it was written by a 'layperson' so to speak. Easy to read and draws a vivid picture of the Holy Spirit's personality.
