Customer Reviews

Abused, neglected, an appearance to match your life and deprived of happiness and love, little Georgie Burgess redefines the meaning of tough in the novel *The Lottery Rose*. Your mother is drowned in a sea of alcohol every night and there is no defense for you to withstand the menacing blows of her boyfriend those were just some of Georgie's daily issues. There was also his lack of understanding in school, an outside porch to sleep on, and never enough food to eat in the kitchen. It was a miracle Georgie could manage to stay alive under the circumstances he was forced

to live in. However Georgie found a way to hide his hurt and disguise his pain. Instead of running away from home Georgie ran away to the garden and got to feel true happiness with the roses. He had once received a lottery card from a sympathetic employee at the corner market, the prize was a bundle of small dried out roses that Georgie adored and claimed it was the best present in the world when he won them. Georgie knew his mother's boyfriend Steve would not agree with Georgie's present considering he once strangled a small kitten Georgie brought home. Georgie drove Steve crazy and his anger reached its pinnacle when Georgie would scream shrieks of terror every time he saw Steve. One night Steve decided he wasn't going to take it anymore and beat Georgie unconscious. He was shortly rescued by a group of strangers trying to convince him he was going to be ok. Georgie's real life experience didn't really start until he had left the hospital and his old home and was now under the care of Sister Mary Angela in a private religious school out in the middle of nowhere. Georgie started there as an outcast and very shy of his friendly surroundings.
