1,000 Sermon Outlines: You Can Preach!

Synopsis

1,000 Sermons Outlines is a compilation of many years of work by the great preacher, F.E. Marsh. Dr. Marsh committed his life to studying the Bible and explaining its riches to others through his preaching and his many books and outlines. In addition to being a well-known conference speaker, he served as a minister of the Bethesda Free Church, in Sunderland, U.K. for twenty years. The outlines in this volume cover every conceivable topic you could imagine. No matter what you are preaching on, you are sure to find help here. Each outline contains a topic, main points, and relevant scripture references to get you started. The bones are provided, now it is up to you to supply the meat! These can be used for preaching from the pulpit or for teaching a Sunday School Class or Mid-Week Bible Study. This digital version contains a detailed Table of Contents that is linked to each outline, making it very easy for you to find what you want quickly!
