# Evil Spy School

## Synopsis

When Ben gets kicked out of the CIA's spy school, he enrolls with the enemy. From New York Times bestselling author, Stuart Gibbs, this companion to the Edgar Award-nominated *Spy School* and *Spy Camp* is rife with action, adventure, and espionage. During a spy school game of Capture the Flag, twelve-year-old Ben Ripley somehow accidentally shoots a live mortar into the principal's office and immediately gets himself expelled. Not long after going back to the boring old real world, Ben gets recruited by evil crime organization SPYDER. And he accepts. As a new student in SPYDER's evil spy school, which trains kids to become bad guys with classes like Counter Counterespionage and Laying Low 101, Ben does some secret spying of his own. He's acting as unofficial undercover agent, and it becomes quickly apparent that SPYDER is planning something very big and very evil. Ben can tell he's a key part of the plan, but he's not quite sure what the plan is. Can Ben figure out what SPYDER is up to and get word to the good guys without getting caught before it's too late?

## Book Information

Lexile Measure: 770 (What's this?)

Series: *Spy School*

Paperback: 352 pages

Publisher: Simon & Schuster Books for Young Readers; Reprint edition (April 5, 2016)

Age Range: 8 - 12 years

Grade Level: 3 - 7

## Customer Reviews

AudioBook Review: Stars: Overall: 4 Narration: 4 Story: 4 The third book brings the protagonist, 13 year old Ben, enrolling in a new school, the cover for the evil • spy training unit SPYDER. Ben

got into some trouble at his old school, and heâ€™s got to make new friends and see what he can learn now. Heâ€™s hoping that he is expected to gather information about SPYDERâ€™s next evil plot, but without his familiar friends, heâ€™s working without a net. Iâ€™ve heard good things about this author: humor and clever twists abound, and who can resist imagining themselves as a spy: gathering intelligence and information to defeat evil plans. Ben is middling-level clever: heâ€™s using what heâ€™s learned already to manoeuvre in this new world, and there is quite a bit of set-up required for him to find his place, make new friends and discover the teachers to fear. The action picks up dramatically in the last third of the book: some fight scenes, danger and the mystery of Just What is the plan kept me engaged and entertained. Secondary characters are cleverly introduced, and dialogue and ridiculous situations play heavily: some moments are funny from the start, others develop as such. Adults are a bit on the clueless side throughout, but not to a distracting point. Narration for this story is provided by Gibson Frazier. He manages the narration capably, inserting appropriate pauses, inflections and tone changes that highlight the text and the action on the page. I appreciated the lack of â€œputting onâ€• a voice to sound younger or older, and his clear presentation of Benâ€™s point of view was a wonderful highlight.
