Air Gear Omnibus 1

Synopsis

The Skyâ™s the Limitâ Ikki Minami looked up to the skies since he was a kid, dreaming of a freedom that defied definitionâ until he caught a glimpse of a mysterious and beautiful Air Trek rider, whose aerial acrobatics ignited his ephemeral dream into a blazing inferno of ambition. Now he is determined to use Air Treks to fly, uninhibited by the laws of gravity, and make his dream a reality. But the world of Air Treks is fraught with danger and deception. Will Ikki fly freely, or will his wings get cut before he can take flight?

Book Information

Customer Reviews

To the previous reviewer: huh? Why'd you whip out a college-level thesaurus to write a review? It's a manga. About inline skating. Seriously, Air Gear is a fun series, and the key to enjoying it is...not taking it too seriously!Okay, so what's Air Gear about? Like most shounen manga, there's warriors and fights, team matches and techniques and backstories and "getting stronger". Think Naruto. With more skating and boobies. "Airtrekking" is an x-treme sport where skaters wear high-tech skates and then battle in teams for territory and fame. In the first volume, Ikki Minami is a 13-year-old junior high gangleader, the hailed "Babyface" of East Side. He suffers a humiliating defeat by the Stormrider (air-trekking) gang "Skull Saders," who then go on to target the friends and classmates he can't protect. His foster family, the Namayoma sisters,(notably Ringo, Ikki's bespectcled childhood friend)mysteriously reveal themselves as the legendary "Sleeping Forest," assisting Ikki in entering the Airtrek world to redeem his pride. Meanwhile, they keep the true nature of their Stormrider

identities secret. But could Ikki be significant to the Air Gear world in a deeper way than first perceived?...Oh!Great is an amazingly gifted mangaka, who, like his characters who hope to "fly" in the sky, does not limit himself. He is the rare talent who can appeal to a reader in every conceivable way. In Air Gear, there's comradery and friendship, fanservice that'll get both boys' and girls' attention, great fashion illustrations, and furious action scenes. Few are as skillful at anatomy as Oh!Great, who uses his skating theme to depict the human body with such fluid grace it looks like visual poetry on the page. (great for artists looking for references or inspiration).
