Gakuen Polizi Vol. 1

Synopsis

Gakuen Polizi is the newest manga series by yuri icon Milk Morinaga, author and artist of Girl Friends and Kisses, Sighs, and Cherry Blossom Pink. This ongoing manga series is illustrated in a delightful shoujo art style that features a color insert in each volume. As a child, Sasami Aoba fantasized about becoming a defender of justice, like the magical girls and "Sentai Rangers" she admired on TV. Years have passed and now Sasami has become a police officer herself. Her first assignment is to infiltrate Hanagaki All-Girls High School and ferret out any trouble she may find. On her first day posing as a student, Sasami is shocked to discover that an apparent book thief at school is actually another undercover police officer, Sakuraba Midori. What's more, Midori insists that she herself is the officer in charge of the school, not Sasami. Will the two girls become rivals, partners...or something more?

This Series is interesting on the surface and has a lot going on but it only ends up being 2 volumes. All of the plot lines it starts finish before they really take off. The relationship between the 2 main characters really hardly even exists until the manga is finished. It wasn't bad by any means but should have been 4-6 volumes, just didn't have enough time to tell a worthwhile story in 2 volumes.

Another chapter to the history of the great Morinaga Milk's genius continues! Vol. 1 is only the ready of all what is going to happen in the future of the next new chapter to her solid history. Get Ready!

Another great series by yuri icon, Milk Morinaga. I fell in love with this series and can't wait for the next volume. The character design is great as well as the artwork. If you loved her previous works, you'll definitely enjoy this one!

Cute story, some parts you should keep a magnifying glass on hand so you can read the dialogue, good story pacing and progression.
