## Whistle!, Vol. 4

## Synopsis

Everybody has a dream, and for junior high school student Shō Kazamatsuri, that dream is simple: he wants to get off the bench and play soccer. An inspiration to everyone he meets, the indefatigable spark plug won't quit until he becomes the best soccer player he can be! After playing an incredible and inspirational match against their cross-town rivals, the gang at Josui Junior High is now fielding queries from players who want to join their team. One of these hopefuls is Yuki Kojima, the team's pretty manager. She's not only cute and sweet but she's also an awesome soccer player to boot. Slowly but surely, Shō is surrounding himself with a bunch of all-star athletes...now all he has to do is find a coach!

## Customer Reviews

each issue develops more than just the main character but keeps the main character as it's center. not only are you rooting for sho but as you learn more about each teammate you start to care about them too. yes you want sho to be the best but you also want the team to be a team. the kind of sports manga I enjoy.

these multiple book storylines drive me crazy but so far it has been worth the wait. but since the next book is not out I will have to wait longer than the past.

needs previous book and next book town totally tell a story but still good. Still a great series. hope future books do not always end in cliffhanger.

Love this manga series! Great addition to a great story line!! This has to be the best book in the series so far!!
