## Whistle, Vol. 7 (v. 7)

## Synopsis

Everybody has a dream, and for Shō Kazamatsuri, that dream is simple: he wants to be the best soccer player he can possibly be. An inspiration to everyone he meets, the indefatigable spark plug won't quit until he leads Josui Junior High to victory! Though the season is still young, Shō has already learned the value of teamwork. He understands that an outstanding singular effort isn't always enough to ensure a winning record. The rest of Josui's squad, however, is still grappling with the whole team unity concept. This flaw becomes amplified during a match against Iwa Tech, an opponent that takes pride in its impenetrable line of defense. It'll take the efforts of more than one or two players to get close to Tech's goal. It's time that Shō and his crew finally put their individual differences aside to form a unified team.

## Customer Reviews

each issue develops more than just the main character but keeps the main character as it's center. not only are you rooting for sho but as you learn more about each teammate you start to care about them too. yes you want sho to be the best but you also want the team to be a team. the kind of sports manga I enjoy.

these multiple book storylines drive me crazy but so far it has been worth the wait. but since the next book is not out I will have to wait longer than the past.

needs previous book and next book town totally tell a story but still good. Still a great series. hope future books do not always end in cliffhanger.

Love this manga series! Great addition to a great story line!! This has to be the best book in the series so far!!
