## Customer Reviews

This Bible is a very pretty shade of lavender, perfect for a young lady. I ordered one for each of my daughters and gray ones for my boys. We got these to accompany the Action Bibles we got for our kids' devotions. I love the size - they are not too big or heavy, so the kids don't mind carrying them to church (we walk). And the illustrations are beautiful and eye-catching. I would definitely recommend these Bibles for young people.

Great bible for a teenager. She loves it, and takes it to church every Sunday, and loves to read stories to her little sister.

I like it. A comprehensive Study Bible. Easy to understand and the quality is good.
