Lesbian Avenger

Synopsis

å ceLesbian Avengerå • is an erotic adventure that tells the story of Jenny Sepulvedaâ ™s unexpected and unlikely rise to superhero status. A recovering alcoholic with deeply-buried secrets, Jennyâ ™s life is forever changed when she takes a shortcut through a West Hollywood park late one night and encounters a young, charming costume designer named Sophia. After rescuing Sophia from certain doom, the two form a bond that grows more passionate, powerful and sensual every day. When Jennyâ ™s secret super power is revealed, Sophiaâ ™s keen insight and clever ideas propel both women on a path to unparalleled heights, unrivaled passions and unforeseen revelations. An adventurous love story with an intensely arousing edge, â œLesbian Avengerâ • is a stimulating tale full of mystery, passion, lust, jealousy, sabotage, trials and triumph. Join Jenny and Sophia in their quest to save the world, and fall in love with them as they fall for each other.

Customer Reviews

This was an exciting, arousing, fast-paced read with an intensely erotic edge. The attraction and passion between Jenny and Sophia was palpable and vivid. The chance crossing of their paths was like the coming together of two explosive chemicals, and the adventures (both sexual and

otherwise) that resulted were as stimulating as they were memorable. Speaking of memorable, the love scene in Chapter 4 is an absolute must-read.

Sooo....If you're looking for an intellectual or literary masterpiece, you probably stopped at the title, or like me you wondered if it was on par with lovable heroes such as the toxic avenger or bluntman and chronic. It is a short read in every sense of the meaning. Finished in maybe an hour with plenty of breaks in between. it has a solid beginning then launches head first into a flurry of sudden easy decisions. Save the girl from her druggie ex, check. Give girl standard wave off and run, Check. discover the girl is a nosy girl who is unbelievable beautiful, frisky, persistent, understanding, persistent, trusting(Waaay too much motivation in a pothead), Check. Then launch straight into a hero gig with barely an argument, no thinkover, no worries for the CIA(because of course girl just happens to have a perfect costume), Check. There was zero real conflict. The plot seamed well thought out if a bit typical of superheros but the lead up was super rushed, everyone was soooo trusting despite having the government after you, after framing you for your mothers murder right in front of your eyes, and after having barely met. Really? and of course the cure all for lifes problems is weed and sex. Really? But of course if you took a look here for the reasons of reading about lots of lesbian sex scenes. Then Bingo, but again they are rushed. The ending was ridiculously fast and easy. Way too easy. I give three stars because Yes the plot seemed solid. and it had the potential for an interesting and sexy superhero.

I enjoyed

Not a fan of first person writing. It reads too much like a freaking diary.
