Lost Books Of The Bible And The Forgotten Books Of Eden

Synopsis

Though apocryphal in nature, these books--suppressed by the Church Fathers--are fascinating and beautifully written. Here you can read for yourself many of the manuscripts which were excluded from the Canon of Scripture, and discover new appreciation for those which were chosen. Now in tradepaper!

Customer Reviews

I know this comes as a shock to the majority but most but not all, of these collections of books, I have found to be God breathed and actually extra inspired, not uninspired forgeries! These extra holy writings " Hagiographa", as Miles Coverdale so sccurately used of the Apocrypha, also applies to many of these works as well! These crucial words of God have been neglected for too long are so needed in these last days and have been missing out of our bibles from unbelief and need to be restored back into the package that men all decide what to print in exact collections. 1st and 2nd Adam and Eve, The Testament of the Twelve Patriarch's, 2nd Enoch, Nicodemus a.k.a. Acts of Pilate, Epistle of Barnabas, and 1st and 2nd Clement and the letters of Herod and Pilate except for the last two, are the most helpful and useful for God's kingdom. They are the most precious of all of these collected extra inspired works of art and are essential to read and study daily as the rest of scripture, for those of us in the minority of the faithful remnant, who love and trust by faith, into our God YaHshua The Messiah, as God in The Flesh. We must shema Him, who is the word, incarnate and all whom HE sends in His name to preach truth to us and who also bare the same message as

HE does, each with variant details of the same events and people in the bible's history. Also read my comment review on 1 Enoch by R. H. Charles which mentions some of this content and other useful notes of spiritual truths, long forgotten and undiscovered by most, sadly.
