Fair Catch

Synopsis

Ellie Garrett never planned on being a divorced, single motherâ€”she also never planned to get married again. Ever. Her ordinary life changes when the house across the street is sold. The new owner is Nick Coulterâ€”quarterback and MVP for the Sacramento Defenders. Oh yeah, heâ€™s also one of People magazineâ€™s top 100 most beautiful people and Americaâ€™s most eligible bachelor. So why would she pick him to have her first crush on since her divorce? Recently retired from the NFL, Nick is more than ready to find a wife and start a family. He's tired of his high-profile lifestyle and moves to Pleasant Wood, Colorado, hoping to finally settle down and focus on his foundation Kids Come First. It would just feel nice to be a normal guy. Of course being rebuffed by Ellie the first few times he meets her makes him feel a little too normal. As Nick and Ellie become acquainted, their mutual attraction is hard to ignore. But Ellieâ€™s been hurt before by her womanizing ex-husband. Sheâ€™s not sure that Nick has left behind his playboy reputation. Can she risk falling in love with the celebrity football player or will she miss her chance at scoring big in the game of love?

This was a good book! It was nice and clean which was nice. I usually stay away from romance books because of sexual content so this was a pleasure to read. I liked the bit of suspense towards the end of the book when I thought the conflict was over. It kept me engaged and interested. I liked that the story didn't end where a lot of other stories would have but that it continued on and provided closure. I loved the happy ending!! I love happy endings and when good guys win so this book was perfect for me. I will be recommending this book to all of my friends and family!

I thoroughly enjoyed this novel. It is sweet, romantic, and just plain fun. The cover immediately drew me in and the novel didn't disappoint. The author's writing style is engaging. I can hardly wait for more books from this author. Count me as a fan!

Want a book you cant put down? Then read this! From the first chapter I was hooked. I loved the witty banter and the beautifully woven story with a great message. She has a way of writing that you are there in her story living and breathing with these characters. I can not wait to read more from this amazing new author!!

I loved this novel. Very romantic. A fun read. Great kissing, but clean. Christian romance that isn't preachy. Can't wait for next novel from this author.

I really enjoyed this story. I couldn't help smiling many times throughout the tale. I felt like I really got to know Ellie and Nick. I appreciated Ellie's reluctance to have a relationship and the fact that the main characters didn't play games with each other's hearts. I also liked that Ellie's reluctance because of her failed first marriage didn't come across as stupidity. All of the characters were somewhat stereo-typed, but the author spun an enjoyable story.

I absolutely loved it! Stayed up until 2 the first night, and then finished it the next day. I couldn't put it down! It is a great book! Nice Job Cindy!!! Can't wait for her next book.

OMG I luvd this book it. Waz soooooooooooooo romantic and filled with a motion.it had me goin crazy when mum made me stop reading it.I hope I can find another book like this-romantic and the woman being headstrong!!! :) :) :) YAY!!!

Fun clean quick story about a divorced mom with a cute preschooler who meets a handsome retired football player. Matchmaking neighbors, a nice little romance, some misunderstandings, and a mystery all wrapped into one. Living in Colorado, I got a kick out of the story taking place here. Some product placement/name-dropping felt a little weird. A nice clean little romance!
