When There Is Love: A Christian Romance (The McKinleys Book 3)

Synopsis

WHEN THERE IS LOVE is book 3 in the Christian romance series The McKinleys by bestselling author, Kimberly Rae Jordan. Follow the stories of Eric, Brooke, and Victoria as their present lives are impacted by decisions and events in their past. This heartwarming Christian romance series of love, faith and family is sure to inspire and move you. Born with a form of dwarfism, Victoria McKinley has spent her whole life proving she can do anything an average size person can. But she's not sure that includes dating her brother's best friend. For the past few months, Victoria has managed to brush aside Trent Hause's not-so-subtle attempts to flirt with her. Unfortunately, her last two experiences with dating average size men have not gone well, and she's not sure if the third time's a charm or if it will be a strike-out. Trent Hause's feelings for his best friend's sister have grown quite unexpectedly from friendship to something much more. But after several months of her rebuffing his lighthearted attempts to get her to go out with him, he realizes that perhaps a different approach is in order. When the opportunity presents itself for Trent to help Victoria out, he jumps at the chance to show her that underneath his carefree exterior is a man of depth who loves her. Even as she's drawn to Trent, Victoria realizes she has to face the fears and insecurities she's long denied or risk losing her chance at happiness. Will she come to embrace God's will for her life and find love with Trent? Or will fear bind her to the safe life she's been living for far too long? Customer Reviews

Victoria rejects Trent's flirting, thinking he's not a serious enough person to date; even when she starts seeing the depth of his character, she worries he won't be able to handle the challenges of her dwarfism. (Though reviews are inherently subjective, I prefer to provide some organization to my opinions through the use of a personal rubric. The following notes may contain spoilers.)

Plot and Setting: 4 -- Plot has unique elements and no major holes, but a few shaky bits and/or a slight lack of focus. I like the interesting element of Victoria's dwarfism and the unique challenges that places on the relationship. Some slightly cliché bits (eg, heartbreak after misinformation, etc), but mostly interesting and unique. Setting is clear and believable. Timeline may be a bit hard to follow. I was

okay with the timeline until the '4 months later' at the epilogue, which skips past January to at least March, apparently forgetting the 2 months of recovery after Tori's surgery.

Characters: 5 --

Relatable, realistic, interesting, dynamic characters. Victoria defines herself by her dwarfism, even while putting on a good public show of not letting that hold her back from anything. She doesn't want pity, to the point of enduring pain rather than using crutches in front of anyone. Trent does what he can to help, but is sensitive enough to avoid making her feel less than a person. I also like how Trent's faith and simple lifestyle are in direct odds to his upbringing. Even minor characters have depth, as do the relationships between characters. Interesting interactions with interesting characters in their families and at BlackThorpe.
