## Synopsis

- "...an awesome resource for any Christian" (Brandon R. Young) Praise for Bible Verses for Every Occasion:- "It makes it easy to turn to the most relevant parts of God's word when you need it most" (walkingthechristianlife.com)- "Michael Lewis does a wonderful job of listing situations we all face, and needs we all have, highlighting the verses in the Bible that are directly related to them." (ChristianBlog.com) Book Description: What does the Bible say about love, marriage, and divorce? What does it have to say about pain, about suffering, and about grief? Which Bible verses relate to forgiveness? What's the Biblical view of dating and what does God's word have to say about addiction and more importantly, overcoming it? While the Bible truly is a lamp unto our feet and a light unto our paths, finding the verses that relate to our particular situations and needs isn't always easy. Having experienced this problem firsthand Michael Lewis gave himself the personal challenge of putting together all of the most common human situations and stumbling blocks and the Bible verses that relate to them. Finally, my brethren, be strong in the Lord, and in the power of his might. Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. • ~ Ephesians 6:10-11 Thy word is a lamp unto my feet, and a light unto my path. • ~ Psalm 119:105

## Customer Reviews

I thought this book would be a more in-depth look at various topics from the Bible. I understand space was limited, but I did want a bit more discussion. Nevertheless, the book does cover numerous topics and gives scripture references for the topics,

I have the Kindle Edition, I think it was 99 cents when I got it as a Kindle daily deal. The book was certainly worth the price and more. The formatting was adequate and easy to use. It is, however, a King James translation which I find difficult to understand and I would have preferred NIV, ESV or just about any other translation, so for me, that was a down side. If you prefer KJV, then this is a plus. I find it useful, especially when I don't have time for serious study, to just sit and read thru what the word says about various topics. You can take 5 minutes and read thru a couple topics. Being organized around particular topics or subjects is useful in and of itself. I thought whoever put it together could have used a little more judgment about the verses to include, or not include, with regard to several of the topics covered. Even in this translation, I did find it useful. It was certainly very inexpensive. Bible Verses for Every Occasion: 1,000+ Helpful Verses for 123 Real Life Situations

The Bible is so huge with so much to offer, but finding just the right verse can be maddening at times. This helps ease the task, and puts so many of the most sought-after ones right at your finger tips - a very handy item to add to your Kindle.

It had some wonderful verses and you could easily find what you needed, God's words will guide you through life, and this book made it easy to find a verse and get comfort knowing God loves us all.

This is an awesome resource for any Christian that needs to quickly look up sometimes controversial topics for biblical clarification. This is a great resource for families!

I just purchased this and I love it - I try to read a few verses each day. I love the way it breaks down the bible especially to someone like me who doesn't know the bible. Definitely worth it.

I can only give three stars because of no Table of Contents. Having this book download on to my Kindle, and having to thumb, page by page, on my iPhone is a bit daunting. That is really my only concern.

I'm an intercessor and find the categorized scriptures a very handy prayer tool. I highly recommend it to all who like to quote scripture.
