

Jessica Jones: Alias Vol. 4

Synopsis

Jessica Jones is a hard-nosed private investigator, and the dark underbelly of the Marvel Universe is her beat. But it wasn't always this way. Once, Jessica stood alongside Earth's Mightiest Heroes, the Avengers, as a costumed super hero. What changed? What ended her crimefi ghting career before it even got started? Now, for the first time, learn all of Jessica's hidden secrets - how she was orphaned, how she got her powers...and the dark, unspoken chapter in Marvel Universe history that changed her life forever. Guest-starring Peter Parker, Jean Grey, Luke Cage, Ant-Man and the mighty Avengers! COLLECTING: ALIAS 22-28

Customer Reviews

In this final volume in the Alias series, Jessica Jones's origin story is detailed along with a story involving Killgrave, the villain from the TV show.Jessica's origin story is fun though sad, as are most superhero origin stories. The art is a throwback to the vintage comic book styles from different eras, so it gives a nice old-timey flavor. The language is still the Jessica Jones language, so f-bombs drop all over the place. Jessica goes to the same high school as Peter Parker, whom she has a crush on but he's also clueless about her. When they do meet, he doesn't appreciate her language! Her story arc follows mostly what is seen in the TV show, though her adopted family isn't as prominent here as on TV (they fill in a bit for Peter Parker who isn't in the show). She has more interactions with the Avengers and becomes pals with Captain Marvel. The second story explains why she's no longer a costumed superhero. She has a dark past when she was under mind control by Killgrave, who is

popularly know as the Purple Man (the accident that gave him his powers also gave him a purple skin tone). He did some unspeakable things to her (though different from what's seen in the TV version) and she is very afraid to confront him again. The psychological torment is detailed and harrowing reading. Through a plot contrivance she is forced to confront him in a special maximum security jail. After she leaves, there's a jailbreak and Killgrave is back on the street, a daunting prospect for Jessica Jones. She has to help hunt him down even though her fear is debilitating. The book has very interesting (though very adult) stories. I found it very satisfying and fascinating as a companion piece to the television show. I'm not sure I will continue reading Jessica Jones stories but I am glad for what I have read.

Jess is one of my favorite characters in the Marvel Universe. She's honest af, and I love it. Honestly, the book itself had some faded pages, almost like the printer they used had ran out of ink. If I'm paying \$17 for something, I'd like it a lot more if the print job was good. (didn't know i would ever have to ask for that) Anyway, the story is awesome. My favorite out of the 4 volumes.

Volume 4 is the best - wish they continued with Alias

The last one definitely is the best!!!

Loved it. 'Nuff said. :-}

Great read fast shipping
