Have used many inductive Bible study courses. This one is very good at giving instructions and guidance so one can learn for themselves. Completion was in the time frame stated. Helped me with my objective, to read and study Psalms chapter by chapter.

Excellent study of the psalms in order to be able to go deep in the study, I recommend purchasing the hard copy of the teaching. All of the note pages are there but you have to make your own from scratch to use the supplemental work sheets provided. Great teaching. Other suggested materials for study highly recommended. Most of all, seek the Lord in prayer prior to starting each section to

give you insight as to the actual meaning of each verse. Be diligent, and prayerful, and the Holy Spirit will give you insight, and reveal the meaning of each Psalm. Highly recommend for an in depth study.

Kay Arthur never lets me down. This study is fantastic. You'll have a whole new way to look at the way to worship because it reminds you of just how much God loves us.

What a great book for studying Psalms.

Another good Bible study book in Kay's series. This series is an excellent way to go deeper in His word.

Great study on the Psalms. Kay and Pete worked well together on this.

The reading and developing my spiritual journey using this book.
