# My Good Night® Bible (My Good Night® Collection)

## Synopsis

These bedtime Bible stories were written to help bring restful closure to a child's day. This delightful book includes bedtime rhymes, hidden pictures, story questions, prayer time, Bible words, and a lullaby. Perfect for bedtime stories, lovable Night-Light the firefly teaches preschoolers about prayer and the Bible.

## Customer Reviews

In my search to find a way to introduce my 2 year old to reading the Bible, I came across this book. It is divided into Old testament and New testament stories. Each story opens with a "Jesus said..." or "God said...." followed by a referring verse. Ex: "Jesus said, 'Show mercy.' Luke 6:36" This story is about the story of the Samaritan and how he showed mercy. The stories are short, use kid language, alliteration, rhythm, and rhyme. The table of contents gives Scripture references to the titled story for parents of older children who might want to expand the story a bit. Ex: "Happy Birthday Jesus" gives reference to Luke 2:4-7. After every story there are three little sections: Quiet Time, Prayer Time, and Sleep Time. Quiet Time has the child help Night-Light reflect on the story by asking simple questions. Prayer Time has a simple prayer. Sleep Time gives the child a simple word to reflect on while they sleep. The illustrations are bright and colorful. Hidden in the colorful page is Night-Light, and my daughter enjoys finding him. My daughter loves it and will not go to bed without

a story. She will pick up the book and pretend to read it; saying, "Jesus said...." It is a pleasant way to wind down from a busy day and gives you time to sit and be quiet with your child while starting a great habit of reading and reflecting on Scripture. I recommend this to anyone with a child 2 to 6 years of age.

We love this Bible. This is the best Bible we have found for our 3-year-old daughter. We are very pleased that there is a story on the baptism of the Holy Spirit which is usually overlooked in Bibles for children this small. We definitely suggest it!! She loves it too! She has worn the cover off!

I got this book for my almost 5-year-old son about a month ago and he's been asking me to read it to him every night. He likes to look at the colorful pictures and ask questions about the characters. The story is a little overly simplified for the pre-K kids, so I usually go into a little more detail to satisfy his curiosity. However, I like the style of the writing. Its use of rhythms and repetitive phrases makes the message easy for the kids to memorize. I'd like to get another Bible with more story telling for him.

This was bought for a shower gift. They are a bit hard to find now and a little pricey, but worth the search and the money. My daughter and son-in-law received one when their first child was born 11 years ago and have used it with each of their four children. What a wonderful way to end the day. The "ritual" aspect of the book is a wonderful good night time.

What a good book for younger children (my granddaughter is 4) to help them get in a peaceful frame of mind for sleep! The little firefly, "Nightlight" repeats the same format in every story (quiz time, prayer, then sleep). Good stories and illustrations, only disagreement is sometimes showing a more cartoon format for pictures of Christ.

My son adored the The Rhyme Bible Storybook for Toddlers, but after a while it was time to find something different. We tried several Bibles and devotionals, and had trouble sticking with any of them. Then we found My Good Night Bible at a garage sale, and found a treasure. My 3-year-old was attentive to the short stories, was able to answer most of the questions, and loved the "night night" or "sleep tight" that ended each reading.

Love this book and so does my 2-year-old daughter! She really loves the bedtime song before we do the story. I like how there are questions, a prayer, and word of the night at the end. Definitely

would recommend to parents who are wanting a really good bedtime bible story book. And it gives you really good bonding time with your children.

My son loved the Bible as a baby and Nightlight was our friend every night. It was a great start, and now that he's 7 with a more advanced Bible, he still keeps this one. He memorized scripture with this.
