Customer Reviews

I thought this was an excellent book. I read a lot with my child, and this is the first one weâ™ve read about a kracken! I like how the books by this author/illustrator team also include morals. The story of Brody and the Kracken is heart-warming and perfect for teaching young kids about acceptance, empathy, and the importance of friendship. It delivers this excellent message through top-notch, vivid illustrations. Theyâ™re fresh, and not the typical illustrations you see in kidsâ™ picture books. (I particularly loved the newspaper headlines/images.) Highly recommended!

Brody And The Lonely Kraken is the story of a young boy who shows no fear against a sea monster. Brody is enjoying himself at the beach when a sea monster takes a ship down but Brody shows no fear and goes out into the sea to wait for the elusive sea monster known as Kraken. When Kraken finally appears and takes Brody down to the sea floor, Brody realizes why the Kraken does what he does. With a new friendship between the two, they set out to change the way the town see Kraken!! I really enjoyed this story, this could be a good teaching book for kids to how them even bullies need friends. The pictures were perfect for the story-line and it makes you get even more into the story with the well done Illustrations that make the book! I may be an adult without kids reading this book but I can see where kids will enjoy this story that will make them love Kraken even though he maybe a scary monster in the beginning, his true colors come out with someone willing to be his friend! Thank You to KayeC Jones & Russ Hughes for this perfect book about what friendship can do to a person!!! I received this book from the Author in exchange for a honest review.

KayeC Jones and Russ Hughes have done it again. This is another child-friendly, beautifully-drawn, exciting story that has a good message. Brody was at the beach one day when he saw bubbles rise to the surface of the sea, followed by tentacles that pulled a boat underwater. Everyone on the beach ran, but Brody slipped into a rowboat and rowed out to meet the monster, Mr. Kraken. Kraken was surprised that Brody was not afraid of him. Brody asked Kraken why he did what he did. Kraken answered and told him also that he wanted to find out how he could make up for the troubles he caused. Children will be fascinated to find out why Kraken stole boats containing people, how Brody saved the people, and what advice Brody gave to Kraken. Children will also begin to think about becoming a hero.
