## Customer Reviews

Exciting but kind of what I was expecting to happen. Here's hoping that this doesn't end up being the same recycled story again. Don't let me down, Walking Dead. Please blow my freaking mind with a genius and original plot twist.

The Whisperer War is on, and it looks like it's going to be devastating. In Part 1 of 6, we see the results of Negan's return to Alexandria with the head of Alpha. No matter what he does to help out Rick, you can't shake the feeling that he's an insidious presence in Alexandria, biding his time while masterminding a grand scheme to rip the very guts out of Rick and the people he loves. Maybe not, but it sure seems like it when he confidently tells Dwight that he will soon willingly return Lucille to her rightful owner, and as he manages to make real progress toward gaining some trust. Kirkman

has already established the Whisperers as one of the most formidable threats of the whole series, and they now are ready for a full-on battle with Rick's army, with Negan holding the wild card. It's going to be torturous waiting this storyline out for five more months, so hopefully it pays off as satisfyingly as it has started.

Everyone is rallying. Rick is seeking out more allies. He's keeping both eyes on Negan. He misses being in the fray-Rick is older, walks with a cane, the years haven't been kind to him. Carl and Lydia want to be apart of the action, but Maggie and Andrea don't want them involved and I don't blame them. Carl is too smitten and blinded by Lydia who I get bad vibes from. Dwight, Michonne, and the others warrior up once again, ready for action.

Showed up a day early, great addition to any fan of the comic

We finally catch up with this issue and where Negan escaped too and the ending was perfect can't wait for next months issue.

The Best Reading Ever can't Wait for the next one number 158 and 159 will hopefully be out right before season 7 starts.

Can't wait for next months issue! Whisperer war is gonna be awesome! I highly suggest reading the Walking Dead Comics!

War is coming again. How will Rick and Fam get out of this one? This series is absolutely awesome.
