Customer Reviews

Some tables of past champions, some articles, lots of good pictures. Paperback, sized just smaller than a sheet of office paper. Right for elementary-school age kids. The pages are not especially glossy, so it's not like a coffee-table quality book (it's paperback anyway), but it's pretty good looking. The cover is sort of laminated so it's presentable as a gift.

Great photos, covers so many facets of the sporting world. My 8-year-old loves it!
