Fearless Conversation Participant Guide: How Can We Be Fully Faithful When We're Fully Flawed?: Adult Sunday School Curriculum 13-Week Study

Synopsis

Why Fearless Conversation? Because real conversations happen. People want to talk about their faith and ask questions. Fearless Conversation gives them the opportunity to openly share their stories, express and discuss their doubts, and connect with others in a safe environment. The curriculum always leads participants back to the Bible as the source of truthâletting the Holy Spirit guide them all the way. Authentic relationships are formed. When people share their stories and ask their questions, something beautiful happens. Relationships deepen, and people begin to see God at work in their lives and in the lives of others. And spiritual growth is realized. Participants get to know God and each other as they look to the Bible inductively for the answers to âwonderingâ questions. This process fosters a deeper understanding of the Bible and spiritual growth.Â This series features: â A full 2-year curriculum series covered in eight titles which will be released on a quarterly schedule until complete. â Each title includes 13 weeks of study, works for any size group, and can be done in any order. â Every title is easy to lead and low-prep. This title, *How Can We Be Fully Faithful When Weâre Fully Flawed?* includes discussions from 1-2 Samuel, 1 Chronicles, and Psalms to lead groups through provocative conversation on the human condition. Topics include: â Is it okay to complain to God? â Whatâs my story in Godâs eyes? â

The Fearless Conversation series is good, but sometimes requires a little extra work depending on your tradition. As a Wesleyan pastor, I find that I have to make a lot of changes, and there have

been times in the "Fearless Conversations" series when I've been concerned enough about the theological perspective that I have skipped lessons all-together, or had serious talks with the group about where the lessons are flawed. It certainly isn't "deep" material, but accomplishes its purpose of fostering valuable conversation. For us, the conversation is of more value at this time than a deeply insightful biblical study, because many of our folks know the details of the Bible but don't know how to talk about their faith. Edit: We just made our way through the Politics and Violence chapters, and I'm no longer nearly as content with it. In fact, we won't order another of these books. The chapters were just terrible. The conclusions were terrible, and the discussion questions were based on assumptions I just can't make or share.
