Customer Reviews

This is a perfect companion to the My Father's World kindergarten curriculum. This plus the other book in this series "Winnie the Pooh and Friends: Nature" are good non-fiction resources. This book contains many full color, vivid, crisp photos. My children 5 and 3 love looking at the pictures.

Very nicely written, great pictures, easy to read! I already had the Nature volume and this is a nice addition to my library.

My 4 year old daughter loves this book, she carried it every where to read it. Unfortunately, our Great Dane ate it :(

The delivery was prompt and everything was as expected. Thanks!

I bought both of the Winnie the Pooh encyclopedias
