Customer Reviews

This is not a sweet love story. This is a mature story and by that I'm not simply referring to the sex.

This is a psychological story about loneliness, desire and need. If you're looking for sweet romance,

you won't find it here. In some ways this story reminds me of Zankokuna Kami ga Shihai Suru (A Cruel God Reigns). The story is sad and sadly realistic. It is about power, abuse and the manipulation of a young boy and possibly, if you're not too much of a cynic, it is also about redemption. It is not uncommon to find rape in yaoi stories. The difference here is the emotional manipulation of someone who is young, lonely and very desperate for affection. The sad reality is that it isn't unrealistic for a young boy who is so desperately lonely to confuse violence and emotional abuse with love. The story is well written, one of the most well written I've read and that alone makes it unworthy of the low star reviews it has received. It pained my heart as I read it. The content is undoubtedly disturbing and not for everyone. If you are looking for a sweet romance then this is not for you. If you enjoy a story where the seme goes from a tyrant to a sweetheart - completely against the character that has been built up, then this is not for you. If you're looking for something cheerful then this is certainly not for you. If you enjoy the more tragic yaoi stories and are an emotionally mature reader then you may find you get sucked in and enjoy this book for what it is which is more than a simple sexual story. It is clear from many of the negative reviews that some readers did not understand the psychological aspect or what exactly was going on.
