In the process, he describes the significance of our spiritual armor not only to withstand the onslaughts of the enemy and but also to overturn the tendencies of the carnal mind. Furthermore, Rick delivers a clear, scriptural presentation on the biblical definition of spiritual warfare - what it is and what it is not. Rick Renner is a master teacher who knows how to permanently etch the Word of God into your heart and mind with powerful images and detailed understanding of Biblical text. After reading

"Dressed to Kill," I came away with no questions, no doubts, rather with a lot more confidence in God and the person I am in Christ. This book is a major component of my Christian book arsenal, and one I can't recommend highly enough. GET THE BOOK! You can't afford not to! I guarantee it will help you with ANY struggle you are facing and pre-prepare you to deal effectively with those yet to come

I do not know what I had gotten my hands on, then I realized how blessed to be able to read this information. It is such valued information, that anyone that desires to live righteous and to pray for the out pouring of the holy spirit, we need this applied to our lives.....the armour of God, yes, put it on now!

My house has Christian books everywhere, literally hundreds, and of all those, Dressed to Kill is the best. It has helped me to understand what the Bible is telling much better by helping me see that the Holy Spirit chose specific Greek words. We say prayer in English, but God had his scribes use a number of different words for prayer to confer very significant nuances of meaning. If you want to be a successful Christian warrior, read this book, read your Bible, and DO what they tell you.

I highly recommend this book to anyone who feels they are under attack by Satan. It makes a lot of sense and gets right down to the heart of the issue with solutions. This is a very intense read but well worth the time.

If you're looking for a book on spiritual warfare that gives practical explanation and application but doesn't get flaky, this is the book for you.

The book Dressed to Kill was excellent. Rick Renner is a powerful writer that paints a picture of the truth that he is writing about. He gives easy application precepts that help to make all that you read, a point that can be practically applied in daily life to be well-equipped for battle every day-and to win that battle.

Dressed to Kill is an amazingly awesome resource. Mr Renner's exposition of Greek words is a very necessary and helpful additive to any book. If you're ready to resist the devil, dressed in your spiritual weapons, do purchase this resource, if not please stay away from it. Knowledge always produces greater attack from the enemy, but know this, the greater the suffering the greater the

blessing from God.Pastor Brenda

Insightful, as always, by Pastor Rick Renner! Every Christian needs to have their armor on 24/7 in this day & age!
