Derek Prince retells us in a very concise manner that which Scripture says in that "we struggle not against flesh and blood but against...the spiritual forces of evil..." While giving a 10,000 ft overview of the devil and his fallen angels, he spends the majority of the 137 pages talking about the every day practical preparation a believer under goes to suit up with the whole armor of God. He encourages the believer once equipped to not remain defensive but take back ground in enemy occupied territory. He reminds us that the devil is content when the believer leaves him alone. But Derek challenges us to not put down our sword, the Word of God and our Testimony. Instead, we need an offensive strategy to methologically invade his territory reclaiming it piece by piece. This is a very practical presentation for teen youth, young adults, and new believers. It is a reminder of the basics for the seasoned believer.

This is a small book, 137 pages, full of scripture and explanation on how to fight the spiritual battle for the mind. The reader is given hope. Hope as defined on page 79,"Hope is a quiet, steady expectation of good based on the promises of God's Word...Hope is an optimistic attitude that

always chooses to see the best and will not give way to depression, doubt, and self-pity." God's Word - the Truth - is hope for us all. God's Word is what Jesus used to rebuke Satan when He was tempted. If it is correct for Jesus, it is correct for us.

This book has very good and solid points backed up by the word of God. Anyone that is curious to our spirtual armor and weapons should pick this up. This is not a guide to doing everything right, but only more of a 'side-manuel' explaining a few things that God has given us to defend and more importantly attack the devil..We are not fighting against people.. we are not fighting against countries.. we are fighting against strongholds and walls in people's minds..This is a battle not won with force.. but Love.. and in Love the Word of God, Prayer, Preaching, and Lifting one another up.I recommend this book to anyone... but with anything of this "caliber" I recommend being well prayed up before starting.. because attacks will come.

In this scripturaly sound book, Derek Prince thoroughly explains Spiritual warfare and its facets by using and cross-referencing the Holy Bible. It is a "must have" in foundational basics and includes the Biblical references as well as quoting the verse(s). You can also read the verses from your own favorite version of the Bible. The book contains 18 short chapters that elaborates the two opposing kingdoms, the armor of God, and the weapons of spiritual warfare. This is an excellent resource for every Christian.

I'm about half way through this book on Spiritual Warfare. It is easy to read and definitely uses spiritual truths from the Word Of God. So far I've gleamed somethings that I haven't heard or read before. This is well worth the time, to read and receive instruction for the weapons of our warfare, in text. I see all prayer as spiritual warfare. You can't help but be blessed and learn more about what is necessary to have on hand and use against the enemy of our soul. Always being prepared.

Really enjoy Derek Prince. His books on spiritual warfare are very informative. I started reading them to see if it would benefit my son and I sent all I have read to him. He also really enjoyed and said some were the best books he ever read. He is in prison and deals with spiritual warfare and it is helping him to apply these things inside

WE NEED THIS BOOK TODAY MORE THAN ANYTHING. IT WAS SIMPLE TO READ BUT POWERFUL.THIS BOOK IS RIGHT TO THE PUNCH If you liked the movie matrix this book will help you see that real life is similar to the movie. We live in an illusion. Satan has deceived the whole world about the nature of life. Derek Prince enlightens us.
