# Fast Girls At Finley High

## Synopsis

Toya, Sandra and Cicely have been friends since the sixth grade. They are now seniors with only a few goals in life: Boys, partying and graduating from Finley High with as little hard work as possible. When their wild ride comes to a screeching halt, there are more police in their lives than teachers. And one of the fast girls will never be the same after a bottle of liquor turns everything upside down.

Excerpt

“It don’t matter,” Cicely said between puffs. “I just wanna have fun tonight. If she comes, I’ll get her. If not, I’m still getting turned.”

“You got some of these?” Toya asked. She produced more goodies from her purse. This time it was a 3-pack box of condoms.

“No,” Cicely said. Her eyes were dazzling.

“You think I should stop and get some?”

“You can have one of mine, if you need it,” Toya said.

“You think you might need the other one?” she asked Sandra.

“Derrick and Chris are supposed to come.”

Sandra smiled and blushed.

“No, I think she might need hers for Peter,” Cicely said with a laugh.

“Peter? Peter Scott?” Toya asked.

“Yeah, that’s her new boo-thang,” Cicely informed her.

“No, it’s not,” Sandra countered.

“Uh-oh! I didn’t know about that!” Toya squawked.

“You definitely need to get you some of this,” she said, passing the bottle of mostly Kool-Aid to the front.

“That way you won’t chicken out again. Pass the blunt!” she told Cicely. Cicely reluctantly gave her the blunt as Sandra took the bottle. She gazed upon the concoction’s soft, red tint. She removed the cap and brought the top to her nose and took a whiff. It smelled strong. And sweet. She looked over at Cicely, wondering if she would offer any opposition. But Cicely said, “It’s our last senior party. Forever. Might as well turn up!”

“Yeah, might as well!” Toya agreed.

“Go on, girl! Peer pressure!” Cicely laughed. Sandra did too. She couldn’t believe she actually said the words peer pressure. That made the whole idea of drinking and smoking even more taboo. Undeniably so.

First Girls Toya, Cicely, Sandra and Serena and the Bad boys Derrick, Kevin, Byron and Chris this is a lot to think about as a young adult in high school it's call peer pressure all of this was cover and this book. I truly enjoy this book each young person should have a copy of this book to read. Mr. Walker cover a lots of grounds that should start at home about lose girls and nasty boy with no respect. He also brought up drinking and smoking weed is not as cool as it seems what ever he writes from young adult to romance to gangster they all so excited to read. The poetry from Jasmine Walker is extra special and bring insight to her dad writing that made it so awesome.

This book is reminiscent of Omar Tyree's Flyy Girl but the modernized version. Toya, Cicely, Sandra are nearing their graduation day and looking forward to going off in the world. Toya is the typical fast High School girl that loves attention from boys and online via social media likes and comments. She juggles boys as effortlessly as she juggles her schoolwork. Cicely is model gorgeous and comes from a two parent home, but she is living a double life When she is home she is a model student and child but when she's with her clique she is ratchet and dabbles in everything from sex to drugs. Sandra is the daughter of a strict single Mom....she is a good kid but being a part of the "in" clique comes with a lot of peer pressure. This book is about peer pressure and consequences. It would be a great read for a High Schooler. For every action we make there is a reaction but will you be ready to pay the piper?

Fast Girls at Finley High by Keith Thomas Walker picks up were Prom Night ended. Toya, Sandra and Cicely are eagerly anticipating graduation day. Having ruled the halls of Finley High, the girls

walking the halls daring anyone to step to them the wrong way. Yet, one boy, one party and one act of stupidity could cost them everything. What I loved about this book is "the actions, language and attitudes of the characters were real. Through out the story, I thought I was listening to my teenage nieces. Walker captured situations that teens face from any generation face. Like all of Walker's novels, lessons and consequences are revealed but whether the character follow them is another story. I highly recommend this book for teens. Parents should also read it to remind them of the difficulties of peer pressure and how to deal with teens today. I am looking forward to the next installment.

High school has changed but hasn't. The girls are still very clique oriented and the boys are still pigs. This was a very good and real story about high school as I remembered it. The world of high school is something that you either love to remember or can't wait to forget. Keith Thomas Walker seems to be in touch with the age group in a very real way. I was absorbed into the storylines quickly and couldn't put the book down. I think it's something anyone who went to high school will enjoy.
