Customer Reviews

Amish Country Calamity was quite a series of books. First let me start off by saying I loved that it was a collection of books. I would just finish one and be ready for the next. It was perfect because let me tell you this book just drew me in and I couldn't wait to read more about Annie's life. This book had me chuckling out loud one minute and in the privacy of my room, thank goodness. I found myself crying (okay bawling). The descriptions of the mishaps that happened to Annie and her friends were described to a tee. So much so it was like I was right there and witnessing it all. Through it all there was a person that stood by her no matter what she had done. Annie's aunt was always helpful, she was loving, and steadfastly loyal. To have someone on your side when everything seems to go wrong is priceless in a young woman's life. We need all the friends we can get to help us through the hard times of growing up. Without telling anything the last book didn't turn out like I wanted in the end. I realized though it turned out for the best. This is a book that you will never get bored with. It will keep you turning pages till the very end. It's a wonderful wonderful read!! was given this book by the Author Ruth Price in exchange for my honest review.

This was a good book. I believe that parents put a lot of pressure on being good. It seems like the only way u r getting into heaven his by ur own religion. That they don't understand that God loves everyone and we aren't perfect.

This is an amazing set of books that will captivate you from the first page to the last. Highly recommend this series! If you love a fun Amish read you will love these books, give them a read.NOTE: I am a long time shopper and depend on reading reviews for every purchase that I make. I had the honor to review this ARC for the authors. Annie is a very special girl you will enjoy the trouble she finds herself in. The way she talks to her friends and competes with them will have you on the edge of your seat waiting to see what happens next. When Annie starts to have feelings for Samuel she doesn't know how to handle it. Katie and Joseph are truly remarkable people, they are always helping the members of the community. You will feel God working throughout this whole book.

I received this Amish boom ax an ARC and am so glad I read it. It is an awesome book. I have always been interested in learning more about the Amish Plain life. This set of books tells a wonderful story about their gentle and wise way of life plus tells many adventures and even mysteries that occur in these families lives. There is never a dull moment in their stories. You will be glad you read this lovely set.

Enjoyable read. As one book ended I was eager to read the next one.The story follows Amish Annie from her mistake in buying goats, Thru trying to sell or get rid of them onto her relationship

with a boy and her attempt at an Englisher life. And her eventual return to Amish life. there are times I laughed out loud and quietly cried. read this excellent book by Ruth Proce to find out why

This book about Annie is a riot. It will keep you glued to the series until you get them all read. They sure remind me of some of my family growing up.. Loved the books and recommend them to anyone wanting great book to put you in high spirits!!!! I was an ARC reader of this series.
