The Englishman's Greek Concordance Of New Testament: Coded With Strong's Concordance Numbers

Synopsis

This improved and revised edition of the standard reference work *The Englishman's Greek Concordance* features a new, larger format that makes referencing even easier. Coded to Strong's, it gives the reader with no knowledge of Greek unprecedented insight into the New Testament Greek. An invaluable tool for unearthing the rich meaning of the biblical language.

Product Dimensions: 6.8 x 2.1 x 9.4 inches

Shipping Weight: 3.4 pounds (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars [See all reviews](#) (27 customer reviews)

Best Sellers Rank: #144,811 in Books (See Top 100 in Books) #28 in [Books > Christian Books & Bibles > Bible Study & Reference > Concordances](#) #76 in [Books > Christian Books & Bibles > Bible Study & Reference > Language Studies](#) #188 in [Books > Christian Books & Bibles > Bible Study & Reference > Criticism & Interpretation > New Testament](#)

Customer Reviews

For those who are serious about digging deep into God's word, a Greek-English concordance like this one is a must. For instance, if you look up the word "soul" in Strong's Concordance, you'll find only 19 usages in the New Testament. Using this concordance, however, when you look up "soul" in the index, you find out that the Greek word for it is "psukee" and you get the page number to find it on. Going there you will discover that this word is used about 150 times in the New Testament. Using Strong's you miss out on all the verses in which "psukee" is translated as other words such as life, person, mind, heart, etc. Seeing all the verses gives you a full picture of what the word really means. I have found that a lot of what God teaches in the Bible gets lost in English translations. I also believe that some of the translations are downright deceitful ways to preserve church doctrines. For instance, I am now certain that the Greek words "aion" and "aionios" (p. 19-20) should be translated consistently as "age" and "age-lasting" and never as "eternity" and "eternal". I believe that Rotherham's Bible correctly translates these words. Whether you agree with me or not, you can look up all usages of these words yourself and not have to rely on the translators. That is a very

liberating experience. I bought this book without knowing even the Greek alphabet and still found it easy to use. Eventually I learned some Biblical Greek, and this made using the concordance a little easier. Now I can look up a Greek word without going to the index first. There are some drawbacks you should be aware of. The print is small and is of very poor quality. In some places the print is too light and in others it is dark and smudgy.
