# Carriers Of The Glory: Becoming A Friend Of The Holy Spirit

## Synopsis

Discover Your Identity as a Carrier of God's Presence, Power, and Glory! Do you sometimes wonder how God can consider you a friend in light of failures and defeats? Does your own insufficiency cause you to wonder whether the Holy Spirit truly dwells within you? Do you wonder why your own faith experience is so different from that of the heroes in the Bible? Scripture makes it clear that communion with the Holy Spirit is the key to living the kind of empowered and authentic Christian life we see modeled in Scripture. The Holy Spirit works within us to form hearts that truly worship, minds that understand the depths of God's Word, and hands that accomplish the miraculous. This book will acquaint you with the mysterious third Person of the Trinity, helping you to draw closer to Him so that you may become a carrier of God's Spirit—a chosen friend of God. This book provides answers to some popular questions about the Holy Spirit: What is the Holy Spirit's purpose and nature? What is the blasphemy of the Holy Spirit and why is it an unpardonable sin? What does the Bible really teach about spiritual gifts? What does it mean to be a friend of God? If you desire to know God in a deeper and more intimate way, if you want your soul to be set ablaze with a passionate love for Him, if you want to walk in the fullness of all that He has created for you, then this book is for you! Draw Close To His Glory.

God helps David Diga Hernandez give nuggets of insights that will help you understand what seemed confusing before. For example, David explains that at our salvation, the Holy Spirit is received into our hearts. . And through being baptized in the Spirit, then God can release and

overflow the Spirit out of us to touch others. That is why we need the Baptism of the Holy Spirit. Another nugget is that if we will do what is difficult [to our flesh], God will do the impossible [and supernatural] in and through us. David uses Scripture to help you understand and illustrate how you can learn to hear the Spirit's Voice. On page 193, David explains, "Never again do you have to face a day with even a slight sense of loneliness. At any given moment, you can become so aware of His Presence that it seems as though there is someone else standing in the room with you. And there is...Constant communication, constant awareness of His nearness brings about the experience of His ever-present nature. When you are driving to work, He is in the car with you. When you are spending time with loved ones, He is in the midst of you....If you know His Voice, He can comfort you when you are sorrowful, correct you when you are sinful, and catch you when you are slipping." I highly recommend this book. It will change your life and you will finally say, Thank You God, for helping me understand.

Within the first page of David Diga Hernandez's book "Carriers of Glory" "Becoming a Friend of the Holy Spirit" • I knew I was about to receive a unique message from God through His Holy Spirit, a message that would leave a major mark on the timeline of my personal and spiritual growth. • I found myself immersed in the desire to know and experience more of the Holy Spirit's transforming power for consistently living a life of holiness. I gained new insights into the importance of humility in the realm of prayer when threatened by spiritual warfare. Hernandez carefully details the work of the Holy Spirit in the body life of the church, the source, oneness of the Godhead, the categories and nature of the spiritual gifts, and the Spirit's prompting and guidance ministry to the believer. He goes on to develop the concept of being intentional in cultivating a growing relational friendship with the Spirit. The final chapter answers the most frequently asked questions on the fundamental Pentecostal teaching on the doctrine of the person of the Holy Spirit. Hernandez's writing is penetrating and anointed; an inspired passionate Charismatic message with informative insight into the Biblical teaching on the friendship and person, on the teaching of the Holy Spirit. A complimentary copy of this book was provided for review purposes. The opinions expressed are my own.

What a great book! I have learned so much about the Holy Spirit and who he is and I've been so blessed because of it. What's great about this book is that a lot of what Diga teaches in the reading is also viewable online on Spirit Church which is a plus for me. If you're interested, get this book, it will make a difference in your life.

The title drew me in and the content fulfilled a deep desire to know the Holy Spirit as a friend. The author details a sincere, authentic and transparent journey from his teenage years when he first encountered the Holy Spirit to his present relationship with the Holy Spirit. This book introduces us to a Holy Spirit that is tangible, accessible and desires to be our closest friend on this journey we call life. If you are ready to know God in a much deeper way, to experience his glory and power like never before, this book is the key. Kathi P.

This book is the most inspiring book I've ever read. I now know that the Holy Spirit is truly with me and He is my closest friend. I was only letting a trickle of Him come through but once I let Him come rushing through I knew I would be transformed to a new person. If you haven't read it I would suggest you read it. It is a book that once you start reading the lights start coming on and you understand how to become a Friend of the Holy Spirit. And it is a book you can't put down.

Hooked! Right when I started reading I couldn't put the book down. David Hernandez really takes time and effort to explain the Holy Spirit, purpose and benefit on how God has provided such an awesome aspect of Himself with us. I want to get even closer to God!

If you've been skeptical about the person, Holy Spirit, then this is precisely the book for you. There's probably no greater time than now for a resurgence in the church to have an encounter with the Holy Spirit. This book teaches, encourages, and gives practical advice for fellowship with the Spirit of God.

This is the book for anyone who desires a closer relationship, and intimacy with the Holy Spirit. A manuscript that helps the reader grow into the presence of God and His character, His integrity, His being. A must read for those that are serious about Him and who He personally is and who we are out of Him. Truly one of the best reads there is available today
