This is an excellent guide for understanding certain scriptures that reveal some of God's basic characteristics. This book is ideal for both small group study or individual reflection. As you work through the questions related to the passages of scripture, you not only learn more about who God is, but also how that can make a difference in the life you live. These questions, when turned inward, can shape attitudes and actions that are not possible without a Higher power.

Yes, enjoyed it very much. Sorry, the author has lost his sight. Will miss his great books and studies.

Great bible study.

I ordered this book for a class at my church. It met my expectations. I did not expect it to be anything but a guide.
