Customer Reviews

We had two other books like this one, and my baby has loved them above all her other books for many months, so I bought three more. She mainly loves the little flaps, and can be entertained by them for quite a while. If your baby likes flaps or tags, I highly recommend this product and the others like it.

My 2 year old grandson absolutely adores his "lift up" books. He roars with the lions and cheers when Daniel survives the lion's den! This book is (nearly) indestructible and indefatigably fun for both grandson and grandpa. I heartily recommend the Chunky Books of Faith.
