[...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!"â " Customer Review "Written in a very simple way but with a profound message for both adults and kids."â " Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!"â "ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselvesâ "whatever their size."â "ForeWord Clarion Reviews Tags: Bilingual Children's Books, Bilingual Books, Emergent Bilingual, Bilingual Education, Foreign Language Learning, ESL, English as a Second Language, ESL for Children, ESL for Kids, ESL Teaching Materials, EFL, English as a Foreign Language, EFL Books, EFL for Children, ELL, English Language Learner, EAL, English as an Additional Language, Children's Picture Book, Dual Language, Foreign Language Study, ESOL, English for Speakers of Other Languages

## Customer Reviews

We are a family where English, Spanish and German is spoken. These books (we have the German one too) are good to start helping young readers read in the non-English language. The book is fine, but the special thing about it is that we have the German/English version and the Spanish/English version (and we just got the Portuguese/English version for a family friend whose daughters speak Portuguese and English). It is a good book to introduce young folks who learn English at school and in everyday life to reading in another language, and it is nice because the two Spanish speaking kids in the family and the German speaking child are able to share their other language with their siblings. It is also nice because it helps the kids with understanding how things look differently depending on your perspective.

This is a good book for beginning Spanish speakers, whether for children or adults. It is a very cute book and makes it fun to learn. Highly recommended.

These imaginative illustrations set just the right tone in both Spanish and English to learn the vocabulary of personal size.

it teaches toddlers learning English and Spanish the many words used for comparing sizes. I recommend for a quick read.
