Save 50% off the cover price by buying this set\*\*\*\*\*This collection features 4 books by Sadie Palmer including: Love Of A Lifetime Rebecca Bieler and Isaac Schuster have been best friends their entire lives, but she believes they could be more. As with all important decisions, there are risks involved. If Isaac feels the same way, love could blossom between them. But if he doesn't have romantic feelings for her, it could put a terrible strain on their friendship. Along the way, Rebecca's patience will be tested, but in the end her faith in God will be the guiding force to see if they can achieve the love of a lifetime. Buggy News When Samantha Schuster and Steven Mueller were courting, she loved the fact that they worked at the same restaurant because it meant they'd get to see each other more often. But ever since Steven broke her heart, having to run into him every day at work is like pouring salt into her wound. She knows she has to make a change as soon as possible. That's when she stumbles on a job listing at the local Amish newspaper "The Buggy News." Immediately she thinks this could be her chance to start over. What she doesn't realize until after she gets the job is that the newspaper will test her strength and heart like never before. Does she have the faith to persevere and succeed, or has she just made the biggest mistake of her life? Buggy News 2 Samantha Schuster's life is finally coming together. She gets to work with the man she loves at the Amish newspaper "The Buggy News." But when her boyfriend's ex gets a job at the newspaper too, Samantha's courtship gets tested. Will Samantha and her boyfriend's love endure, or are their days as a couple numbered? Amish Christmas Of A Lifetime Abraham Schuster only wants one thing for Christmas--to fall in love. Unfortunately, he's just gone through an awful break up and is still trying to pick up the pieces of his life. Is he willing to put himself out there again? Will he be able to find a woman in time to have a Merry Christmas? Or is he destined to go through the holidays with a lonely heart?

## Customer Reviews

Such a wonderful story of a family from the time the parents first start school and become friends, until they die. Written almost like a diary of their lives, it takes you through the joys and disappointments of first the parents and then each child. Very well written. Just a bit of warning....if you cry easily, keep some tissues handy as the parents get older in book one. I so thoroughly enjoyed this book set and totally recommend it for reading.

I have two copies of this series. I am so pleased with the flow of the stories. This young author shows potential as a story teller we can follow for many years. Her mastery of her craft shows through her character development at every development in the story line. I look forward to reading many more books by Sadie Palmer!!!

I loved the story! Isaac and Rebecca were friends from age 5 years old. She never made fun of Isaac's lisp like the other kids did. They were always together till Isaac's family moved away. They stayed in touch by letters for awhile, then lost touch. They grew up & both got married. When Isaac's wife died, he went back to look for Rebecca and when they got together again, they fell in love. Rebecca's husband had died, too, and both were alone. After awhile when they fell in love, Isaac proposed to Rebecca and she accepted. They got married, had children, and were happy till they died in their 70's. This is another wonderful story about the Amish. I love these stories because they never have bad language or fights among the characters.. I learned a lot about the Amish and their faithfulness to God and to each other. They lived simple lives and never complained. They never desired all of the "stuff" we "Englishers" felt was necessary. Their happiness comes from loving God and family and obeying the laws of their communities. I recommend this book to all ages. I

loved the 4 books. Sadie Palmer will be famous for her wonderful books about the Amish. Watch for her upcoming books! You won't be disappointed.

What is going on with that they are selling us books with rave reviews and they are like reading the first grade "Dick and Jane Stories?" This is the second book tonight that is like this. No emotion or personality from the characters. They seem so deadpan. The story line is good, but the telling of it is so dull. What is wrong with giving the characters in the book a few emotions and descriptions of how they are feeling. Finally figured out what was really bothering me....the book is written like a play and you have to figure out for yourself what they are doing. I found myself having to go back and re-read portions of a page to figure out who is speaking. It is written in third person and that doesn't help either. Like I said at the beginning, the story line is great. Editing is very good. Author has a great potential, but please sweetie give the characters some character. I'm sorry, but I just simply finish this book. 681 pages of the same thing over and over and over again. Was written the same way the OLD GRIER'S ALMANAC is written. or the guy that said "Just the facts ma'am, just the facts." I hate giving a bad review, but dislike spending my money on books like this even more. This is my fourth review on this book. Have gone back and tried to see if something was going to change. Nothing. Will be delegating this book permanently. Grand maw to Eight

I read other reviews about how wonderful this series is, unfortunately I don't agree. There is no meat to the story and reads like an outline. I also had a problem with the children of the story growing up and marrying in the first book then in the next book have their own stories that don't really continue on. More like a whole different story. I gave up after a few pages of the second book. I am a Christian and love Amish stories but was disappointed in this one.

Another winner for you Sadie. Love how you have tied all the stories together. Bring us closer to a Amish family we have learned to love AMISH LOVE of a LIFETIME, showing the full circle, in the lives of Rebecca and Issac. How though AMISH the joys and hurts they had in their lives BUGGY NEWS...who would of thought a young Amish woman could get a job as a reporter. Delightful short story of how she handles this. BUGGY NEWS 2, shows how her love of being a reporter is tested. When her ex shows up. Gives one a thought to ponder, how would one react, ? AMISH CHRISTMAS of a LIFETIME. how unusual to read about what a young man wants for Christmas. And of all things love. A very tender, story. Delightful set of books, for all to enjoy. Well done, Sadie Given book for honest opinion.

Diana Hunsaker Myers---- This is the first time I have read books by Sadie Palmer. This set was enjoyable because it gave you a look into the lives of an Amish family in the day to day struggles. In places it was slow moving and needed better editing. But she showed how their family dynamics are like our family. Because I was the editor of a weekly newspaper, I enjoyed Samantha' s experiences at the newspaper. They almost mirrored my own. I would highly recommend this book to those who really want to get to know Amish daily life.
