This is a beautiful book and the perfect gift for my daughters and myself. We all love the ocean and feel a strong connection to it, but with us living in Colorado we don't get to experience it enough. This book got us in the water.

Got this for my friends kid Emma, she is already a lil' beach bum and she loved it. Great images and a great message for all little girls!

The illustrations are beautiful. My daughter loves the message of courage and perseverance.

Bold yet minimal imagery perfectly balanced with a subtle storyline of determination. This book will

make you drift off into a beachy daydream while the kids drift off to sleep! Highly recommend!!
