The Feasts of the Bible pamphlet provides important insights into the works of God on behalf of his chosen people. Feasts of the Bible is a celebration of the rich and meaningful heritage given to believers through Christ. The pamphlet reveals insightful and historical facts about each of the holidays; for example - Passover: A hymn is usually sung at the end of the Passover service, as was the case with Jesus and his disciples during the Last Supper (Matthew 26:30). During the Feast of Trumpets synagogue services, the shofar (ram's horn) is blown 100 times. Hanukkah is known as the Feast of Lights or the Feast of Dedication because of a legendary miraculous provision of oil for the eternal light in the Temple. Purim marks the deliverance of the Jews through Queen Esther. Feasts of the Bible also includes additional fascinating facts about the feasts of the Bible; for instance: Leviticus 23 is sometimes called "God's calendar of redeeming grace" because the 44 verses tell of God's redemptive plan. God told Moses that seven of the feasts were to be "appointed feasts of the Lord" and were to be proclaimed as sacred assemblies (Leviticus 23:1 & 2). Three of the feasts were pilgrimage feasts. Feasts of the Bible is a fantastic teaching tool for churches and groups who want to explore their Jewish heritage found in Christ. Believers will also find the observance of the feasts and holidays as a meaningful way to add depth to their devotion to God.

There's a small group DVD-based curriculum to go with this pamphlet. Visit the Feasts of the Bible website for samples guides and bonus material!

This is a powerful teaching tool that can be used as a handout that shows the significance of the Biblical feasts and why they are important today. It can easily be stored in one's Bible. For most of the church they have been dismissed as "Jewish" feasts and so we do not need to know about them, but this is incorrect on two points. To completely understand our faith it is imperative that we understand our Jewish roots of faith and to embrace them. Secondly, these are not "Jewish" feasts, but rather Feasts of the Lord that God established for all people for all time. This is a quick way to obtain an initial understanding of them, how they point to Jesus, and how they apply to us today.

I like the simple chart format of the Jewish Feasts pamphlet. It is printed on high-gloss paper and measures 5.5" x 8.5" and folds out to about 33". It has 5 feasts on the front and 4 on the back. It gives you the English and Jewish name of the feast, the date it's observed, a scriptural basis, general information about the feast, how Jesus relates to the feast and other fascinating facts. There is also a calendar section which lists when the next celebrations of these feasts and holidays will be up to the year 2018 (Jewish year 5779). It also gives a short description of the Gregorian calendar as opposed to the Jewish calendar and how it works. This pamphlet is very visually engaging and would be very helpful to have handy in a Bible class or in your own personal study.

Really beautiful pamphlet. I intend to study it in depth along with a book about the blood moons that

mentions these holidays. As Christians growing up, we were not taught about these holidays and not taught to keep them. Now at 65, I am beginning to see their importance relating to the coming of the Lord.

This sturdy laminated pamphlet is a very well laid out quick reference to keep on hand. It briefly and clearly explains the feasts of the bible and their foreshadowing of the Messiah Yeshua (Jesus). It also includes some fascinating facts and calendar dates for the feasts for the Gregorian and Jewish calendar. I recommend it to those who want to deepen their understanding of God's word. Got to go to the front of the bible to fully understand the back!

This is such a wonderful helpful guide to anyone looking to find the deeper meaning in these feast and also see when these feast are and how they each connect to Yeshua Ha Machiach. Easy to carry around or pin on a wall or keep in your bible

This pamphlet is such an awesome quick summary of the holidays that we should at least acknowledge of our Jewish roots.....LOVE LOVE LOVE this pamphlet!!! Highly recommend.
