Words To Dream On: Bedtime Bible Stories And Prayers

Synopsis

Start a bedtime Bible story tradition with your little ones tonight! Young children thrive on routine and rituals, and a Bible story at bedtime is one of the best routines to establish! A combination Bible storybook and book of prayers, *Words to Dream On* is the perfect bedtime storybook for young children, with a "once upon a time" voice that is also true to God's Word. Over 50 stories from the Old and New Testaments create an overview of the entire story arc of the Bible. Stories are selected and retold for young children with a focus on God's love, care, protection, trustworthiness, and power. Each story includes an engaging title, a Bedtime Blessing (a short summary thought), Words to Dream On (a brief Bible verse), and a Sleepy-Time Prayer (a good-night prayer tied to the theme of the story). The book also includes a short letter to parents that includes tested ideas for establishing a good bedtime routine with young children and tips for reading aloud to children at bedtime. Trim Size: 6.875 x 8

Book Information

Hardcover: 224 pages

Publisher: Thomas Nelson (February 10, 2015)

Age Range: 4 - 8 years

Grade Level: Preschool - 3

Customer Reviews

Out of all the children's books I look at on the market, the one that jumped out at me was this one. The book itself is a beautiful, full-color book from cover to cover, with hardcover binding. The first page has an area where you can write your name, the child's name, and the date if you give the book as a gift to a child, grandchild, nephew or niece, or friend. The book is divided into 26 stories from the Old Testament and 26 from the New Testament. The stories are arranged by the order

they're presented in the Bible, started with the Creation and ending with an entry called "Forever with Jesus" based on Revelations. In the middle, of course, you'll find stories you expect, such as Daniel in the Lion's Den, Noah's Ark, and many stories of Jesus from the Gospels. Perhaps the most remarkable thing about this book is that the author didn't see a need to embellish the stories. As I read through the stories, while the stories are of course rewritten in simple language for children, I don't see anything that contradicts the original text of Scripture. To the contrary, the stories are very true to the stories of the Bible. For example, take this passage from the Parable of the Prodigal Son: Here's how the passage reads in this book: "Here's your food, piggies," he said as he poured messy pig food into feeding troughs. He felt so hungry, though, that the messy pig food began to look good to him, and he thought about eating it himself." Then he had an idea. "I'm a hired worker with nothing to eat," he said, "But my father gives plenty of food to his hired workers!"
