Remember Tuesday Morning (9/11 Series Book 3)

Synopsis

A wall went up around Alex Brady's heart when his father, a New York firefighter, died in the Twin Towers. Turning his back on the only woman he ever loved, Alex shut out all the people who cared about him to concentrate on fighting crime. He and his trusty K9 partner, Bo, are determined to eliminate evil in the world and prevent tragedies like 9-11. Then the worst fire season in California's history erupts, and Alex faces the ultimate challenge to protect the community he serves. An environmental terrorist group is targeting the plush Oak Canyon Estates. At the risk of losing his job, and his soul, Alex is determined to infiltrate the group and put an end to their corruption. Only the friendship of Clay and Jamie Michaels and the love of a dedicated young woman can help Alex drop the walls around his heart and move forward into the future God has for him.

Customer Reviews

Be aware that this is the new title for Every Now & Then. Do not purchase this if you've already got that book! I made the mistake of paying for and downloading this book, thinking it was the fourth in

the 9-11 Series.'s customer service is tops! They arranged for a refund within hours after I notified them of this problem. By the way, I did enjoy Every Now & Then and highly recommend it. I think it was the best of the three-part series.

This is the third book in the 9/11 series. It is about a young man named Alex Brady who is with the Los Angeles Sheriff's Department and his K-9 Dog Bo. Alex has suffered from the 9/11 tragedy and is trying to rid the world of terrorism all on his own. Jamie and the characters from One Tuesday Morning/Beyond Tuesday Morning are in this book and want to help Alex and make him understand that he can't rid the world of terrorism by himself, but only God can do that. This is a wonderful book like the other two that is filled with faith, love and hope. I enjoyed reading all three of the books on my Kindle Fire and they are emotional at times because of the 9/11 tragedy.

This series about 9/11 puts a focus and perspective to the events and people in a much broader way than any I have heard or read. It really shows some of the struggles in many different ways that the loved ones of victims had (and I would believe still have) to struggle after the horrific events of that event. Each book of the series was special and informative in its own way, and Mrs. Kingsbury's depth of understanding is very clear once again.

If I could give this book more stars, I would. It was an amazing book and an amazing trilogy. I thoroughly enjoyed each and every book. I got a message from each of the books. I have given the three books to my mother-in-law to read. What an incredible author and a true inspiration. I can't wait to read more from the author !!!!

I just can not get enough of Karen Kingsbury. WOW! just WOW! I was so upset when I got to the end of the Baxter Series didn't know where to turn (for reading a book) just picked One Tuesday Morning and it just led to Beyond Tuesday Morning which led me to Remember Tuesday Morning (aka Every now and then!). But you could read it as a stand alone book. That is how good Karen Kingsbury writes. I just can't stop reading her books.

I read the rest of the 9/11 Series and they are wonderful! It is great to see the plan the Father has for His children! This is fiction, but it is uplifting, suspenseful fiction and if my daughter gets ahold of it, it is okay! I already passed the 3 book series along to a friend, who will give it to her sister. maybe it will get to you by Christmas!

Excellent read. This could be a stand alone book, but by reading the first two books in this series made every come together. All three books in this series 911 are great. I had never read any of Karen Kingsbury's books before these 3; makes me want to read more.

I hesitated reading about 9-11 , as it was a very heartfelt time in the United States . I did, of course read Karen's 9-11 series and thought she did a wonderful job of honoring those who were touched by 9-11 . She honors all who were affected by 9-11 with great gentleness and came out with a wonderful story, as well .
