Customer Reviews

I saw all the positive reviews, so I bought this book for my 7 year old nephew. Before wrapping it, I looked through it to see if it was something I would buy for my 3 and 5 year old boys when they learn to read. We are big readers and I'm very picky since I'm the one always reading the books. This book is so sweet and so fun! My reaction was immediate and my boys loved it. Here is an example of a short story in this book: (The adult reads the purple sentence, the child reads the second sentence printed in red and the blue "we" sentences you read together. So, each of the sentences below are in different colors.) I like soda. I like milk. I like satin. I like silk. I like puppies. I like kittens. I like gloves. And I like mittens. I like apples. I like pears. I like tigers. I like bears. I like to slide. I

like to swing. We don't agree on anything! I like butter. I like jam. I like turkey. I like ham. I like rivers. I like lakes. I like cookies. And I like cakes. I like yellow. I like blue. I like pizza. I like stew. I like summer. I like spring. We don't agree on anything! There's something else I like a lot. But if I like it, You will not. There's something else That I like, too. But you won't like it If I do. Tell me yours And I'll tell mine. I like reading. Reading's fine! You like reading? Yes, I do. Why, reading was What I picked, too!
