Star Wars: Darth Vader Vol. 3: The Shu-Torun War (Darth Vader (2015-))

Synopsis

Collects Darth Vader Annual #1, Darth Vader #16-19. The Dark Lord of the Sith's unstoppable march continues! The natives of Shu-Torun are revolting, and there's no way the Empire will stand for that. When Darth Vader is tasked with leading a military assault against the planet, could it be that his rise to glory has begun? But who will follow Vader into war? Would you? Then again, it's better to fight alongside Vader than against him. That's a lesson that the ore barons are about to learn.

Customer Reviews

3.5 stars. The art is good - the splash pages are quite good. This series focuses on Darth Vader and his conflicts with other forces within the Empire. Reading (and observing) stories where he crushes his opposition is fun and the kind of dominant fights that fans of Empire Strikes Back have been hankering for decades. The story loses a little with the intrigue within the Empire, particularly where different Generals, Admirals and advisors plot against him. This is not a young Vader that is being challenged post Episode three, but a height-of-his powers Vader 20 years into the job. The idea that the Emperor finds this acceptable doesn't jibe well with that kind of long-term working relationship (even for Sith lords, who are always wary of each other). That critique aside, it's a fun read and Star

Wars fans will be pleased.

Great artwork and good writing but after the first two books and Vader Down, I find myself losing interest as the series seemingly drags on and loses momentum. This book adds very little to the new canon unlike the main title series. Not terrible by any means but this may be for absolute diehards only. You won't be missing anything of real note if you leave this one on the shelf.

Fantastic continuation of the amazing Darth Vader Series, showing Vader going to war with the planet of Shu-Torun on behalf of the Empire, and shows what he is doing to deal with the abduction of a a major Vader comic character that occurred during Vader Down.

The Darth Vader series of comic books never fails to entertain and enlighten readers with an interesting anti hero protagonist and a compelling cast of characters that have become Star Wars icons in their own right. Such as the murder bots triple zero and Beeteer their antics are always entertaining and sadistic.
