# The Demigod Diaries (The Heroes Of Olympus)

## Synopsis

What dangers do runaway demigods Luke and Thalia face on their way to Camp Half-Blood? Are Percy and Annabeth up to the task of rescuing stolen goods from a fire-breathing giant who doesn't take kindly to intruders? How exactly are Leo, Piper, and Jason supposed to find a runaway table, dodge a band of party-loving Maenads (who just might be a little psychotic), and stave off a massive explosion...all in one hour or less? With his trademark wit and creativity, Rick Riordan answers these questions and more in three never-before-seen short stories that provide vital back-story to the Heroes of Olympus and Percy Jackson books. Original art, enlightening character interviews and illustrated profiles, puzzles, and a quiz add to the fun in this action-packed collection that is sure to delight legions of loyal fans.

Age Range: 10 - 14 years

Grade Level: 5 - 9

## Customer Reviews

Next to The Mark Of Athena, this was my most awaited book of the year. The instant my friends and I got hold of the ebook, the four of us crowded around one kindle to read~ and squeal~ over the it. I had high expectations for this book, and, well, it completely exceeded them! To start off, we get an awesome story taken from Luke Castellan's own diary, from the days when he and Thalia were on

the run. It's action packed and FULL of witty humour. Luke has a very different voice than Percy's, and I think that after having read this, many people will like him more. And is Thalia/Luke really a thing...? Riordan answers all of our questions in it, so read the book to find out! Then, we have "Percy Jackson And The Staff Of Hermes", from the days when Percy and Annabeth had just started dating. It's their one month anniversary, and Percy just might have forgotten... Do any of you miss the cute and dumb Percy from the earlier series? Well, he's back and better than ever! I love Percy and Annabeth's banter, and this funny and sweet story~ full with a date, a monster, a god and two particularly amusing snakes~ just makes me anticipate The Mark Of Athena even more than my mental health can manage. Thirdly, there is a story involving Leo, Jason and Piper. Leo's really busy building the Argo II, but no thanks to a walking table who likes to be polished only in a certain way, he runs into very big trouble threatening to blow up Bunker Nine. There are crazy stalkerish psycho nymphs who worship Mr. D, Jason and Piper are officially a couple, and Leo is hilarious. Some activities and an interview involving the aforementioned snakes are scattered around the book. Then in the end, Rick Riordan's son wrote a small story, also in the theme of demigods.

Riordan's "The Demigod Diaries" is like an "interlude book" between or supplementing larger, more significant works. Evanovich does it with her popular Stephanie Plum series. For us, it is much like JK Rowling's "The Tales of Beedle the Bard" or "Fantastic Beasts and Where to Find Them"; these are several of Rowling's books to supplement the Potter series. Riordan's "The Demigod Diaries" is a short, quick read. Although it consists of four short stories plus original art, character interviews, and some games and puzzles, it is still well written and brings enjoyment and interesting information about our Greek and Roman campers. If you have enjoyed Riordan's books so far, then I strongly recommend this delightful book! These short stories provide interesting and/ or vital information to the "Heroes of Olympus" and the Percy Jackson stories. The first story was Luke's story, "The Diary of Luke Castellan," which was my favorite. Luke, certainly one of the more interesting and complex characters from Camp Half-Blood, is featured here; the story is told from his point of view which provides an interesting change. We are now given an interesting glimpse into Luke's character before he betrayed the camp and the gods (which is prophesied in this story). Additionally, it was interesting to see Luke and Thalia fighting together, and then later finding a young, lost Annabeth and making her a part of the group. The second story is "Percy Jackson and the Staff of Hermes," in which Percy and Annabeth are celebrating their one month anniversary of dating. Of course, this anniversary is more important to one than the other, and does Percy feel on the spot. This

uneasiness is interrupted by Hermes who just happens to need help as the Caduceus (his staff) has been stolen.
