# That WolfBoy Is Mine! Vol. 1

## Synopsis

**MONSTER MISCHIEF** After some traumatic experiences, Komugi Kusunoki transferred from the city to start a new life in rural Hokkaido. But on her first day of school, the school heartthrob YÅ« ÅCEgami blurts out, "You smell good!" Despite the hijinks, Komugi tries to adjust to her new school, but itâ™s not long before she stumbles across YÅ« dozing off under a tree. When she attempts to wake him up, he transformedâ into a wolf?! It turns out that YÅ« is one of many other eccentric boys in her class yearâ and sheâ™s the only one who knows their secretâ |!

## Customer Reviews

I believe that Yoko Nogiri's manga series "That Wolf-Boy is Mine!" would fall into the category of shojo -- the focus is on the school years, with strong female characters or a single strong female lead, that primarily deals with interpersonal relationships and romance. In this case a supernatural element had been added in the form of a quad of teen boys who are really animals (and a half-animal) who can take human form and so they have. Why? They love junk food! And I think they love human culture more than some of them admit. Our lead, Komugi Kusunoki, is a girl who suffered social death at her previous school and takes the opportunity to move in with estranged

father while her mother is away on business for an entire year. The draw for Komugi isn't connecting with her father but at the opportunity to start afresh at a new school. I really liked the way that we are in Komugi's head and can feel her emotions not just through words but through the drawings. Her feelings and actions seem realistic... aside from discovering that there are animals that can turn into human form, that is. Of course, animals in human form run a risk of discovery, something the quad leader is constantly reminding his colleagues about. Each of them should be able to wipe away the memories of anyone who discovers them and they can also make humans change their course of action. It has helped them for some time until the new girl arrives. In this first volume we do not discover the answer to why Komugi cannot be manipulated by these animal-boys mental powers but otherwise the plot moves fairly fast, declarations of love happen in issue 4!
