## Customer Reviews

I really like this author, but the editor of this series should be fired. Typos and terrible grammar. I've seen better work from volunteer translators online. I paid for this?!? But the story is cute and I like this Mangaka so.....

I really enjoyed this one but it made me so sad, because I actually prefer the vice president and he was so sad, and the feels crushed me. However I am still looking forward to the next book :)

i really liked the book but it doesnt leave a very hapy ending for the older toma. i hope there is a new bok oming in soon

It's driving me crazy that we're left with this! I need to know what's happening!Such a good story!
