## Customer Reviews

This book introduces you to the Bible and walks you through your questions. I highly recommend it to anybody who is new to the Bible. Purchase the "A Catholic Guide to the Bible" book. It is used in conjunction with this workbook.

This pamphlet was not what I expected. (It is maybe 40 pages) It is all true/false questions. It is not motivating or challenging. It was not what I expected.

Glad to have another Catholic resource in my library for reading the Bible; am somewhat familiar with and like this author.

Ordered 10 of these to go with A Catholic Guide to the Bible.. Stated it came with answer key....didn't get any answer keys....WHY????? Please send answer keys for the workbooks!

I use the book for additional help and reference for my bible study class. It has been very helpful in most areas. I would recommend this book as a helper to other books.
