Frederick's Fables : A Treasury Of 16 Favorite Leo Lionni Stories

Synopsis

In honor of the 30th anniversary of the publication of *Frederick*, Knopf is pleased to issue an expanded collector's edition of Leo Lionni's timeless tales that celebrate the power of imagination and the human spirit. With the addition of three new titles--*Matthew's Dream*, *An Extraordinary Egg*, and *Six Crows*--this magnificent treasury now contains 16 unabridged stories, including three Caldecott Honor books and Lionni's inimitable full-color artwork gracing every page. Add a striking new cover and a fascinating introduction by the author, and this is a volume no Lionni fan will want to be without. In a pointer review of the 1985 edition, Kirkus Reviews said, "Lionni's stories are simple and elegant, his pictures are nothing short of stunning. Splashy colors, inventive collages, whimsy, and a sense of wonder are all here in abundance. A splendid collection...not to be missed."Â Â

Book Information

Age Range: 4 and up

Hardcover: 176 pages

Publisher: Knopf Books for Young Readers; Revised edition (September 23, 1997)

Language: English

ISBN-10: 0679888268

ISBN-13: 978-0679888260

Product Dimensions: 11.3 x 9.3 x 0.6 inches

Shipping Weight: 1.8 pounds

Customer Reviews

Lionni's original books are breathtaking classics -- wonderful stories that carefully pace each line with gorgeous succulent visuals. But this 'treasury' chops out more than half the original pictures, omitting favorite images, destroying the page-turning pace and in some cases the stories no longer even make sense. This 'treasury' is no bargain -- you'd be better off with one or two of the original unabridged masterpieces. I yearned to see the beautiful 2-page art of "a forest of seaweeds growing from sugar-candy rocks" in *_Swimmy_* but was sad to find it missing.

I'm glad for the compilation. It's true that they took out some images from his stories. However, this is something you see in *all* compilations, otherwise they wouldn't be any cheaper than buying the books separately and they'd be huge, too! So either they take out whole pages, text and all; or they cut the images down so you can hardly see them; or they do as they did here - they keep the text intact and the pictures the right size, but take out some images. And you know what? I can live with that. Is it a perfect solution? Nothing is. I suggest any book you're *really* attached to, you buy separately so you have it intact.

I knew some pictures were missing, but I didn't know THAT many pages are actually missing. It is nice to know the story, but it doesn't feel complete.... Wish the publisher would come up with the complete version.

The stories don't have all the pages and pictures that they do when in their own book. I think 3 or 4 pages of art are missing from Swimmy alone, BUT the full story is there and it's great to have all the stories in one place.

This compilation of stories is completely delightful. They warm your heart and put a smile on your face. My husband used to read them to me when I was SO pregnant I could not sleep. And now we continue to read them to our wonderful daughter Lucy. I get this book as a present for all my pregnant friends. It is a must for your collection.

The art teacher in my K-4 building requested this be added to our library. It has beautiful images and includes many of Leo Lionni's works. A great addition to any collection.

This is one of my favorite "children's" books with so much to be pondered by all who read. The simple stories carry with them true lessons for all to observe.
