## Customer Reviews

Ryder is the new Chief of Police in the little town of Desert Valley. His town has had a terrible spate of crime, including murders and assault. All of the crime has been directed at the police department. So now the police force includes an additional 5 officers who are Rookies trained with K-9 dogs. They are part of a special program to investigate and solve the mystery that is the crime spree in this small town. So Ryder is not only the chief, but his wife was the first victim of the murders. He's

now raising their young daughter by himself. He is true, honest and stoic. Sophie is the head trainer for the canines in this series. She and Ryder have had a combative relationship to this point. But now Sophie seems to have gotten herself in the sights of someone determined to hurt her. She's stubborn, independent and a former police officer. Ryder and she must work together to solve the crimes involving her, retire his K9 partner and find him an acceptable replacement, oh, and ignore the growing attraction between them. This story is sweet, endearing and yet still suspenseful and compelling. This is the final book in this series and it competently completes the saga providing a satisfying end to all the mystery of both the crime spree and personal relations.

This is the last book in the continuity series, Rookie K-9 Unit. I hated to see this series end but this was an awesome ending to the series. This book is well written, fast paced, and full of adventure. I must say that Valerie always does a great job on intrigues; she's one of my fav's. Ex-policewoman Sophie Williams is now the head K-9 trainer now that her boss was killed. She had quit the force when her partner had been killed on her watch and she blamed herself. She loved what she did now. She held many secrets and had no intention of sharing or letting anyone close to her. Chief of Police, Ryder Hayes has recently been sworn in. He's ready to end the crime wave that spread through Desert Valley. His wife had been killed by a woman who had become obsessed with him. When Ryder becomes close to the beautiful Sophie Williams, he tries to push her away to protect her. He can't let Sophie become the next target of the deranged serial killer. To keep her safe he's going to have to let her in. Will he be able to keep them safe without losing his heart? Two struggling hearts trying to keep each other safe from a mad woman. Both have been broken-hearted and carry a great deal of baggage. Can they learn to trust each other, trust God, and learn to love again? God has a plan for these two. He has a plan for you too. Just give Him your heart, give Him control, and expect Him to turn your life around.

An incredible finale to an awesome series. Two words sum up how great this book is: Australian Shepherd. :-) Phoenix is a K-9 officer (as in dog) who has lost his moxie and Sophie is determined to help him get it back....if she can keep out of the crosshairs of a serial killer that is. Not the best circumstances for a romance to develop but Ryder and Sophie have known each other for some time. The attraction is there and danger just seems to sharpen it. Taut with suspense and filled with action, Hansen takes her readers on an edge-of-your-seat ride in this glorious conclusion to the Rookie K-9 Unit series.

Wonderful reading to the conclusion of finding Carrie .the killer of two rookies and Ryder wife . Nail biting and Good suspense keeping the action going plus the Caine dogs

Is a well written book. If you like books about K--9 dogs. You will enjoy this book. How the chief found love again, after his wife was murdered.

The series was disappointing. The dialog was juvenile. The plots were very involved and unrealistic. The dogs were minor to the stories.
